New Life Study Testament:

New Life Study Testament ,1978 **Holy Bible Recovery Version** Living Stream Ministry, Throughout the centuries translations of the Bible have steadily improved In general each new translation inherits from previous ones and opens the way for later ones While a new translation derives help from its predecessors it should go further The Recovery Version of the New Testament following the precedent set by the major authoritative English versions and taking these versions as reference not only incorporates lessons learned from an examination of others practices but also attempts to avoid biases and inaccurate judgments This version frequently guided by other versions attempts to provide the best utterance for the revelation in the divine Word that it may be expressed in the English language with the greatest accuracy Translating the Bible depends not only on an adequate comprehension of the original language but also on a proper understanding of the divine revelation in the holy Word Throughout the centuries the understanding of the divine revelation possessed by the saints has always been based upon the light they received and this understanding has progressed steadily The consummation of this understanding forms the basis of this translation and its footnotes Hence this translation and the accompanying footnotes could be called the crystallization of the understanding of the divine revelation which the saints everywhere have attained to in the past two thousand years It is our hope that the Recovery Version will carry on the heritage that it has received and will pave the way for future generations As with any New Testament translation the determination of the original Greek text based upon the available manuscripts forms the basis for the text of the Recovery Version of the New Testament The Recovery Version follows for the most part the Nestle Aland Greek text as found in Novum Testamentum Graece 26th edition However in determining the original form of any verse the translators of the Recovery Version gave careful consideration to the larger context of chapter and book and to similar portions of the New Testament The most recently discovered manuscripts or the manuscripts of oldest date are not necessarily the most accurate or reliable hence the determination of the text for this version was based largely upon the principle stated above Departures from the Nestle Aland text are sometimes indicated in the footnotes Italicized words in the verses indicate supplied words not found in the Greek text Quotation marks are used to indicate close quotation from the Old Testament The Recovery Version embodies extensive research into the meaning of the original text and attempts to express this meaning with English that is to the point easy to understand and readable In those places where it is difficult to express the exact meaning of the original Greek explanatory footnotes have been supplied The subject provided at the beginning of each book and the outline of each book take the historical facts as their base and express the spiritual meaning in each book The footnotes stress the revelation of the truth the spiritual light and the supply of life more than history geography and persons The cross references lead not only to other verses with the same expressions and facts but also to other matters related to the spiritual revelation in the divine Word

Life-Study of Joshua-Esther Witness Lee, 1996-05-01 In the Lord s recovery

during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does

Prison Ministry Lennie Spitale, 2002 Empowering any pastor educator or lay leader in doing effective prison ministry by providing a thorough inside out view of prison life

Biblical Studies on the Internet Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

Life-study of Galatians Witness Lee, 2023-09-27 The book of Galatians reveals that in God's economy Christ replaces the law and it is religion versus tradition The churches in Galatia had begun well receiving the Spirit through faith but were now striving to be perfected by the flesh through the law 3 3 The Judaizers had bewitched the Galatians so that they considered the ordinances of the law above the Son of the living God Paul responds by telling the distracted Galatians that Christ gave Himself for our sins that He might rescue us out of the present evil age according to the will of our God and Father 1 4 In this book the current evil age is not the secular world but the religious world in its present manifestation which distracts God's people from the living person of the Son of God This book exposes the inability both of the law and of circumcision showing that the law cannot impart life to regenerate us and that circumcision cannot energize us to live a new creation But the Son of God who has been revealed in us can enliven us to make us a new creation and the Christ who lives in us can afford us the riches of His life to live the new creation The desire

of God's heart is not that we would keep the law but that His Son would be revealed in us, operate in us, live in us and be formed in us that we may know Him, receive Him as our life and become the sons of God individually and the household of the faith corporately. The book of Galatians unveils that the crucified Christ, not the law with its ordinances, is the center of God's economy.

Peyote and the Yankton Sioux Thomas Constantine Maroukis, 2004. In Peyote and the Yankton Sioux Thomas Constantine Maroukis focuses on Yankton Sioux spiritual leader Sam Necklace tracing his family's history for seven generations. Through this history Maroukis shows how Necklace and his family shaped and were shaped by the Native American Church. Sam Necklace was chief priest of the Yankton Sioux Native American Church from 1929 to 1949 and the four succeeding generations of his family have been members of the Church. As chief priest, Necklace helped establish the Peyote religion firmly among the Yankton, thus maintaining cultural and spiritual autonomy even when the U.S. government denied them and American Indians generally political and economic self-determination. Because the message of peyotism resonated with Yankton pre-reservation beliefs and at the same time had parallels with Christianity, Sam Necklace and many other Yankton supported its acceptance. The Yanktons were among the first northern plains groups to adopt the Peyote religion which they saw as an essential corpus of spiritual truths.
