

New York City 1990

**Kenneth T. Jackson, Lisa Keller, Nancy
Flood**

New York City 1990:

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of *The Encyclopedia of New York City* convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

Latinos in New York Sherrie Bayer, Angelo Falcón, Gabriel Haslip-Viera, 2017-06-23 Significant changes in New York City's Latino community have occurred since the first edition of *Latinos in New York Communities in Transition* was published in 1996 The Latino population in metropolitan New York has increased from 1.7 million in the 1990s to over 2.4 million constituting a third of the population spread over five boroughs Puerto Ricans remain the largest subgroup followed by Dominicans and Mexicans however Puerto Ricans are no longer the majority of New York's Latinos as they were throughout most of the twentieth century *Latinos in New York Communities in Transition* second edition is the most comprehensive reader available on the experience of New York City's diverse Latino population The essays in Part I examine the historical and sociocultural context of Latinos in New York Part II looks at the diversity comprising Latino New York Contributors focus on specific national origin groups including Ecuadorians Colombians and Central Americans and examine the factors that prompted emigration from the country of origin the socioeconomic status of the emigrants the extent of transnational ties with the home country and the immigrants interaction with other Latino groups in New York Essays in Part III focus on politics and policy issues affecting New York's Latinos The book brings together leading social analysts and community advocates on the Latino experience to address issues that have been largely neglected in the literature on New York City These include the role of race culture and identity health the criminal justice system the media and higher education subjects that require greater attention both from academic as well as policy perspectives Contributors Sherrie Bayer Juan Cartagena Javier Castaño Ana María Díaz Stevens Angelo Falcón Juan Flores Gabriel Haslip-Viera Ramona Hernández Luz Yadira Herrera

In Search of Respect Philippe I. Bourgois,2003 This new edition brings this study of inner city life up to date *The Globalization of Evidence-Based Policing* Eric L. Piza,Brandon C. Welsh,2021-11-29 Evidence based policing is based on the straightforward but powerful idea that crime prevention and crime control policy should be based on what works best in promoting public safety as determined by the best available scientific evidence Bringing together leading academics and practitioners this book explores a wide range of case studies from around the world that best exemplify the integration of scientific evidence in contemporary policing processes Chapters explore the transfer of scientific knowledge to the practice community the role of officers in conducting police led science connection of work between police researchers and practitioners and how evidence based policing can be incorporated in daily police functions The Globalization of Evidence Based Policing is written for both researchers and practitioners interested in ensuring that scientific research is at center stage in policing Agencies including law enforcement agencies research centers and institutions of higher learning can look to these case studies as road maps to better foster an evidence based approach to crime prevention and crime control Those already committed to evidence based policing can look to these chapters to ensure that evidence based policing is firmly institutionalized within their agencies Accessible and compelling this book is essential reading for all those interested in learning more about and doing more to bring about evidence based policing **Privatizing Transportation Systems**

Bloomsbury Publishing,1996-11-25 Privatization began in the 1970s with Carter s deregulation of some business and increased with the Thatcher administration in the United Kingdom the Reagan administration in the United States and many communist and socialist countries One area of concern in privatization is transportation airports water ports roads and mass transit Privatization can be implemented in financing construction operation and maintenance of the transportation system the main motives being the belief that the private sector can be more efficient than the public sector and because public funds are becoming less plentiful for a variety of reasons The focus is on ideas and innovations for expanding the private role in transportation Specifically covered are ideas and innovations for expanding the role of private sector in U S transportation projects private financing of urban transportation airport privatization water port improvement toll roads and competitive contracting for transit services The distinguished list of contributors includes the co recipient of the 1996 Nobel Prize in Economics William Vickrey The audience for the work are scholars dealing with the discussions concerning the economics and politics of privatization business people who are likely to be interested in potential opportunities governmental regulators and staff and policy makers **Urban America: Growth, Crisis, and Rebirth** John McDonald,2015-03-26 This book will change the way Americans think about their cities It provides a comprehensive economic and social history of urban America since 1950 covering the 29 largest urban areas of that period Specifically the book covers 17 cities in the

Northeast 6 in the South and 6 in the West decade by decade with extensive data and historical narrative The author divides his analysis into three periods urban growth 1950 to 1970 urban crisis late 1960s to 1990 and urban rebirth since 1990 He draws on the concepts of the vicious circle and the virtuous circle to offer the first in depth explanation for the transition from urban crisis to urban rebirth that took place in the early 1990s Urban America is both a message of hope and a call to action for students and professionals in urban studies It will inspire readers to concentrate on finding ways and means to ensure that the urban rebirth will continue Immigrants and Social Work Diane Drachman, Ana Paulino, 2013-10-11

Explore an understudied but vital aspect of the immigration experience Until now the American social work literature on immigration has emphasized one part of the migration process the experiences of immigrants in this country Country of origin experiences that lead to emigration have received limited attention Immigrants and Social Work Thinking Beyond the Borders of the United States expands the focus of the literature drawing clear connections between immigrants situations in their countries of origin and how they adapt to their new country This book presents a two or more country perspective on immigration looking at migration as a process that requires an understanding of phenomena that occur in immigrants country of origin and that impact their lives in the United States It also looks at immigrants back and forth movements between their home and new countries and examines the immigration process when it involves movement to a third or fourth country or as in the case of the Armenian diaspora a return to the home country after years of settlement in a new land To provide immigrants with effective social services it is essential to understand the situations that prompted them to uproot their lives and start over in a new country Immigrants and Social Work Thinking Beyond the Borders of the United States provides an unflinching look at many of these country of origin issues examining mental health issues that result from the traumatic experiences of undocumented Mexican immigrants the essential link between international social work and social work with immigrants and refugees in the United States cross national collaboration between educators in the United States and Armenia that is helping to provide vital services to Armenian refugees the phenomenon of return migration the migration experiences of women living in towns along the United States Mexico border culturally competent mental health service delivery for Chinese immigrants circular migration between Puerto Rico and the United States the challenges facing impoverished Dominican immigrants to the United States and a look at the relationship between the two countries policies regarding migration Immigrants and Social Work Thinking Beyond the Borders of the United States is important reading for social work professionals who serve immigrant populations It is also an ideal ancillary text for courses in international social work family policy social work with immigrants and refugees child welfare and social work practice with families as well as any social work course that covers Chinese Mexican Armenian Puerto Rican or Dominican immigrant populations Make it a part of your teaching professional collection today **Racial and Ethnic Tensions in American Communities** United States Commission on Civil Rights, 1999 **Resources in Education** , 1999 Postwar Urban America John F.

McDonald,2014-12-17 This unique and inexpensive book provides a demographic and economic history of urban America over the last 65 years The growth and decline of most northern cities is contrasted with the steady growth of western and southern cities Various urban government policies are explored including federal state and local policies There is a chapter focusing on Detroit and its rapid decline toward bankruptcy and its recent strategies to slow recovery The final two chapters speculate on what s next for urban America and gives suggestions for stimulating growth **Fast Food, Fast Track**

Jennifer Talwar,2018-03-05 Praise for Fast Food Fast Track A fine ethnography with both theoretical and advocative significance representing the best qualitative sociology Choice Explores the intimate realities and behind the scenes exchanges of a multiethnic work force serving the typical American meal Through a lively narrative and insightful stories Jennifer Parker Talwar gives a full sense of what it s like to live in both a global economy and a local culture Sharon Zukin author of The Cultures of Cities No longer just pocket money for American teens wages paid by multinational fast food chains are going to a new generation of order takers burger flippers and basket fryers newly arrived immigrants hailing from China the Caribbean Latin America and India a colorful sea of faces has taken its place behind one of the most ubiquitous American business institutions the fast food counter They have become a vital link between the growing service sector in our cities ethnic enclaves and the multi billion dollar global fast food industry For four years sociologist Jennifer Parker Talwar went behind the counter herself and listened to immigrant fast food workers in New York City s ethnic communities They talked about balancing their low paying jobs and monotonous daily reality with keeping the faith that these very jobs could be the first step on the path to the American Dream In this original and compelling work of ethnography Talwar shows that contrary to those arguing that the fast food industry only represents an increasing homogenization of the American workforce fast food chains in immigrant communities must and do adapt to their surroundings **Dominican American Politics**

Jacqueline Jiménez Polanco,2024-05-14 In this book Jacqueline Jim nez Polanco examines the politics of empowerment of Dominican Americans in the United States Covering the first two decades of the twenty first century Jim nez Polanco provides a new analytical perspective to understand the political development of a growing ethnic community that has been historically neglected in the studies of Latino a x political development and whose peculiar characteristics represent a paradigmatic case that debunks pervading theories about immigrant communities participation and representation in U S electoral politics Rich archival research and interviews with key Dominican American leaders and activists shed light on how some patterns followed by Dominican Americans in their political empowerment correspond to those of other Latino a x communities while other patterns distinctly diverge from that common trend Dominican American Politics Immigrants Activists and Politicians serves as a perfect companion for courses on Latino a x and Dominican studies and U S ethnic politics **The PerformanceStat Potential**

Robert D. Behn,2014-06-24 It started two decades ago with CompStat in the New York City Police Department and quickly jumped to police agencies across the U S and other nations It was adapted by

Baltimore which created CitiStat the first application of this leadership strategy to an entire jurisdiction Today governments at all levels employ PerformanceStat a focused effort by public executives to exploit the power of purpose and motivation responsibility and discretion data and meetings analysis and learning feedback and follow up all to improve government s performance Here Harvard leadership and management guru Robert Behn analyzes the leadership behaviors at the core of PerformanceStat to identify how they work to produce results He examines how the leaders of a variety of public organizations employ the strategy the way the Los Angeles County Department of Public Social Services uses its DPSSTATS to promote economic independence how the City of New Orleans uses its BlightStat to eradicate blight in city neighborhoods and what the Federal Emergency Management Agency does with its FEMASat to ensure that the lessons from each crisis response recovery and mitigation are applied in the future How best to harness the strategy s full capacity The PerformanceStat Potential explains all

Constructing Borders/Crossing Boundaries Caroline Brettell,2008-01-01 The essays in this volume tackle the construction and significance of race and ethnicity as boundary making processes among diverse immigrant populations in the United States Race and ethnicity can both unite and divide The individual scholars contributing to this volume model deploy and explain notions of borders and boundaries in various ways but collectively they emphasize the fluidity of racial and ethnic identities that are shaped negotiated and contested in specific contexts and situations Constructing Borders Crossing Boundaries also captures the range of spaces in which ethnicity and race become salient the university the immigrant enclave the detention center the work place the nightclub and even the trans Atlantic passage This interdisciplinary work features essays on a diverse range of immigrant populations from past to present and will interest scholars from across disciplines

We Asked-- You Told Us ,1992 *A Twentieth-century History of United States Population* Russell O. Wright,1996 A statistical reference compiling census data from 1900 through 1990 and comparing data for each region state and major city within the US Wright author statistical volumes enlivens this material with concise commentary teasing out the social and political implications of for example the northern migration to the southern sunbelt or how the Brooklyn Dodgers move to Los Angeles in 1958 dovetails not coincidentally with that city s rapid population growth He also speculates about increased growth and decline in the states and cities by the year 2000 based on current data Includes of course tables Lacks an index Annotation copyright by Book News Inc Portland OR

Who's who in New York City and State Lewis Randolph Hamersly,John W. Leonard,William Frederick Mohr,Herman Warren Knox,Frank R. Holmes,1904 Containing authentic biographies of New Yorkers who are leaders and representatives in various departments of worthy human achievement including sketches of every army and navy officer born in or appointed from New York and now serving of all the congressmen from the state all state senators and judges and all ambassadors ministers and consuls appointed from New York

No Fire Next Time Patrick D. Joyce,2018-08-06 Why did Black Korean tensions result in violent clashes in Los Angeles but not in New York City In a book based on fieldwork and on a nationwide database he

constructed to track such conflicts Patrick D Joyce goes beyond sociological and cultural explanations No Fire Next Time shows how political practices and urban institutions can channel racial and ethnic tensions into protest or alternately leave them free to erupt violently Few encounters demonstrate this connection better than those between African Americans and Korean Americans Cities like New York where politics is noisy contentious and involves people at the grassroots have seen extensive Black boycotts of Korean owned businesses usually small grocery stores African Americans in Los Angeles have sustained few long term boycotts of Korean American businesses but the absence of routine contention there goes hand in hand with the large scale riots of 1992 and continuous acts of individual violence In demonstrating how conflicts between these groups were intimately tied to their political surroundings this book yields practical lessons for the future City governments can do little to fight widening economic inequality in an increasingly diverse nation Joyce writes But officials and activists can restructure political institutions to provide the foundations for new multiracial coalitions **Global**

Production and Domestic Decay Brian D. Phillips, 2021-12-12 First Published in 1942 Phillips has written an important study covering three areas three areas theoretical empirical and public policy This book explores some of the explanations for and consequences of globalized production by transnational corporations A review of the theoretical underpinnings of the reasons for corporate overseas expansion precedes a discussion of transnational corporation overseas production facilities The literature reviewed supports the position that the exodus of manufacturing capital has been assisted by state policy which has encouraged capital flight and that corporate efforts to downsize manufacturing operations in the United States have added to corporate profitability and championed profits over the strengthening the domestic economy

Reviewing **New York City 1990**: Unlocking the Spellbinding Force of Linguistics

New York City 1990 Introduction

In today's digital age, the availability of New York City 1990 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New York City 1990 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New York City 1990 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New York City 1990 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New York City 1990 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New York City 1990 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New York City 1990 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New York City 1990 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New York City 1990 books and manuals for download and embark on your journey of knowledge?

FAQs About New York City 1990 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New York City 1990 is one of the best book in our library for free trial. We provide copy of New York City 1990 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New York City 1990. Where to download New York City 1990 online for free? Are you looking for New York City 1990 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another New York City 1990. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free

books then you really should consider finding to assist you try this. Several of New York City 1990 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
