Number Hall:

Narrative of the Second Arctic Expedition Made by Charles F. Hall Charles Francis Hall, United States Naval Observatory, 1879 Contains a preliminary chapter on Hall's three expeditions and the Franklin search and two chapters on the preparations for the second expedition Porn Robert J. Stoller, 1991-01-01 Bill Merlin Happy and Kay are among the porn film performers and producers who tell their stories to Dr Robert J Stoller in this psychodynamic ethnography of adult heterosexual pornography Their engrossing accounts reveal in rich detail not only the inner workings of the Industry and the fantasies and motivations of its participants but also the relation between this most denigrated of occupations and normal human erotic behavior and attitudes Consistently nonjudgmental about the material he presents Dr Stoller nevertheless draws provocative conclusions about porn its practitioners and its effects on society Everyone at work on a porn production he says uses it as a vehicle for unloading his or her rage against something mores institutions laws parents females or males According to Dr Stoller pornography does not exist only to degrade women there is no reliable evidence that it increases the frequency of rape and with the exception of child porn it does little harm Pornography says Dr Stoller seems more the result of our changing society than a cause of change it reflects more than influences our values and mores Uniform Numbers of the NFL John Maxymuk, 2015-02-16 Football is a game of numbers fourth and inches the three man rush a two point conversion first down Even with the obvious numbers in the statistics rules and game situations the players uniform numbers themselves have become part of professional football and its lore NFL players like modern day gladiators are fitted head to toe in protective gear obscuring even their faces from their most loyal fans They have become largely identifiable through their uniform numbers You cannot conjure up Larry Csonka without seeing the number 39 crashing through the line of scrimmage or recall Lawrence Taylor without imagining the fear his 56 inspired in opposing quarterbacks This comprehensive reference work lists all 32 current franchises of the NFL and includes brief team histories statistics and interesting facts Each chapter ends with an all time numerical roster listing the numbers 1 through 99 in some cases beginning with 00 and everyone from Hall of Famer to replacement player who has ever worn the corresponding number for that club Four appendices are included Lineal List of Commissioned and Warrant Offices of the Marine Corps Reserve, 1 September 1956 United States.
