and their own definition of what being a man or a woman is The 10 principles of the Feminine is about discovering what feminine energy is beyond any dictionary definition and why it s important to honour and cultivate it Feminine energy is not an attribute of the fairer sex it is a component of all living things and its true meaning seems to have been lost somewhere and with it people s potential of authentic self expression So identifying feminine energy in yourself and others and connecting to it is essential for leading a balanced and fulfilling life If you don t feel fulfilled or seen then perhaps you aren t in tune with your feminine aspect The 10 principles outlined in here are meant to guide the reader towards a better understanding and appreciation of the feminine which beyond everything represents our inner power and capacity to connect to the eternal and the ethereal as well as to seek and find true love This book is therefore a practical guide for integrating the spiritual aspect into our earthly existence reconciling the feminine with the masculine in an approachable and concise way without pertaining to a certain spiritual or religious ideology *I Ching for Beginners* Mark McElroy,2005 Offering guidance to emperors generals and kings for millennia the I Ching remains a powerful oracle today However many seekers find its symbolism and outdated metaphors a challenge to interpret Mark McElroy strips away obscure references and reverently recasts the I Ching s ancient ideas into everyday terms making it fast and easy to apply its enduring wisdom to contemporary life Neither a translation nor a paraphrased interpretation I Ching for Beginners helps readers consult this remarkable Chinese classic with confidence For each of the I Ching s sixty four passages McElroy provides a summary study questions and keywords and explains how the message relates to relationships love work and projects Also included are directions for creating and interpreting hexagrams *When Food Is Comfort* Julie M. Simon, MA, MBA, LMFT,2018-02-10 Learn Inner Nurturing and End Emotional Eating If you regularly eat when you re not truly hungry choose unhealthy comfort foods or eat beyond fullness something is out of balance Recent advances in brain science have uncovered the crucial role that our early social and emotional environment plays in the development of imbalanced eating patterns When we do not receive consistent and sufficient emotional nurturance during our early years we are at greater risk of seeking it from external sources such as food Despite logical arguments we have difficulty modifying our behavior because we are under the influence of an emotionally dominant part of the brain The good news is that the brain can be rewired for optimal emotional health When Food Is Comfort presents a breakthrough mindfulness practice called Inner Nurturing a comprehensive step by step program developed by an author who was herself an emotional eater You ll learn how to nurture yourself with the loving kindness you crave and handle stressors more easily so that you can stop turning to food for comfort Improved health and self esteem more energy and weight loss will naturally follow **Parenting Howto** Lucas Nguyen,2024-10-15 Parenting Howto offers a fresh perspective on child rearing by bridging the gap between scientific research and practical parenting strategies This comprehensive guide explores three key areas the neuroscience of child development effective communication techniques and the impact of parental well being on raising children The book challenges one size fits all

parenting advice emphasizing the importance of understanding individual family dynamics and adapting strategies accordingly Drawing on a wide range of scientific studies and real world case studies Parenting Howto presents cutting edge research in an accessible conversational style It delves into how a child s brain develops and its effects on behavior while also addressing the historical evolution of parenting practices and cultural differences in child rearing approaches The book s unique approach lies in its integration of evidence based strategies with practical easy to implement techniques empowering parents to make informed decisions based on their family s specific needs Structured in three parts the book progresses from introducing key concepts in child psychology to exploring communication strategies and addressing parental well being It includes self reflection exercises action plans and progress tracking tools making it a valuable resource for both new and experienced parents seeking personal growth and effective parenting strategies By combining scientific insights with practical wisdom Parenting Howto equips readers with the knowledge and tools to nurture happy healthy and resilient children
