Rationality Morality And Self Interest

Peter Danielson

Rationality Morality And Self Interest:

Rationality, Morality, and Self-interest John Heil, 1993 Distinguished philosophers address questions pertaining to the character of human reason and the relation of reason to action and belief Morality and self-interest in Protagoras, Antiphon, and Democritus M. Nill, 2016-06-21

Morality and Self-Interest Paul Bloomfield, 2008 The relationship between morality and self interest is a perennial one in philosophy For Plato Hobbes Kant Aristotle Hume Machiavelli and Nietzsche it lay at the heart of moral theory This text introduces the topic and looks at its place in philosophical history

Morality, Rationality, and Self-interest Melinda Margaret Vadas, 1982 **Reason, Morality and Self-interest** Preston King Covey, 1978 **Modeling Rationality, Morality, and Evolution** Peter Danielson, 1998-10-29 This collection focuses on questions that arise when morality is considered from the perspective of recent work on rational choice and evolution Linking questions like Is it rational to be moral to the evolution of cooperation in The Prisoners Dilemma the book brings together new work using models from game theory evolutionary biology and cognitive science as well as from philosophical analysis Among the contributors are leading figures in these fields including David Gauthier Paul M Churchland Brian Skyrms Ronald de Sousa and Elliot Sober Economic Analysis and Moral Philosophy Daniel M. Hausman, Michael S. McPherson, 1996-03-28 Understanding moral philosophy can lead to better economics Conversely economic insights and analytical tools can help philosophers This book draws these two ideas together Part I focuses on rationality and argues that in defending their model of rationality economists find themselves espousing fragments of a highly contestable moral theory In Part II the authors consider the dubious theory of welfare implicit in standard evaluations of welfare economics and utilitarianism Part III of this book is concerned with freedom rights equality and justice which are also important in evaluating economic policies and institutions Part IV shows that technical work in economics is guided by ethical concepts and is relevant to moral theorizing *Morality : Its Nature and Justification* Bernard Gert Stone Professor of Intellectual and Moral Philosophy, 1998-07-31 Bernard Gert s classic work *Morality* in which he argues his distinctive and comprehensive moral theory is now in its sixth edition Gert argues that morality is an informal system that does not provide answers to every moral question but does always limit the range of morally acceptable options and so explains why some moral questions cannot be resolved Gert describes the two step procedure that is used in moral decisions and judgments and he shows that moral rules cannot be understood independently of the system in which they are embedded Although his moral theory is sophisticated it is presented with a clarity that will appeal to undergraduate and graduate students alike as well as anyone with a general interest in applied ethics In this new edition Gert perfects the consistency of his views by presenting his argument in greater detail he also revises the text in light of a critical book and two symposia dedicated to his theory that have surfaced since the book s last publication This is the definitive edition to the work that has received so much attention and acclaim **Self-Interest** Kelly Rogers, 2014-02-04 Self Interest discusses the reconciliation of inevitable self concern

with its manifest potential for harm This anthology brings together the efforts of twenty three renown philosophers to address the matter of how to bring about such a reconciliation The drive for self preservation as observed by Aquinas is the first law of nature With this self love however comes the threat of the excessive love of self Self Interest brings into discussion the reconciliation of necessary self concern with its manifest potential for harm This anthology brings together the work of twenty three important philosophers to address the question of how to bring about such a reconciliation Contributors include Democritus Plato Aristotle Augustine of Hippo Aquinas Hobbes Nicole Mandeville Butler Hutcheson Hume Smith Kant Bentham Mill James Nietzsche Dewey Rand and Gauthier **Morality and Rational Self-interest** David P.

Gauthier,1970 **Self-Interest: Volume 14, Part 1** Ellen Frankel Paul,Fred Dycus Miller,Jeffrey Paul,1997-05-28 T he good man should be a lover of self Aristotle wrote For he will both himself profit by doing noble acts and will benefit his fellows Yet in much of contemporary moral philosophy concern for one s own interests is considered a non moral issue while concern for the interests of others is paradigmatically moral Indeed a central issue in ethical theory involves the proper balance to be struck between prudence and morality between the pursuit of one s own good and the pursuit of the good of others When deliberating over what action to take should one weigh one s own interests more heavily than those of others Or is it possible to accommodate both self interest and regard for others to show that we have self regarding reasons for helping others The twelve essays in this volume written from a range of perspectives address these questions and examine related issues *Morality and Rational Self-interest* David P. Gauthier,1970 Reason egoism and utilitarianism by H Sidgwick Is egoism reasonable By G E Moore Ultimate principles and ethical egoism by B Medlin In defense of egoism by J Kalin Virtuous affections and self love by F Hutcheson Our obligation to virtue by D Hume Duty and interest by H A Prichard The natural condition of mankind and the laws of nature by T Hobbes Why should we be moral By K Baier Morality and advantage by D P Gauthier Bibliographical essay p 181 184 Common Morality Bernard Gert,2004-08-19 Distinguished philosopher Bernard Gert presents a clear and concise introduction to what he calls common morality the moral system that most thoughtful people implicitly use when making everyday common sense moral decisions and judgments Common Morality is useful in that while not resolving every disagreement on controversial issues it is able to distinguish between acceptable and unacceptable answers to moral problems **From Rationality to Equality** James P. Sterba,2013-02-14 James P Sterba offers something that philosophers have long sought an argument showing that morality is rationally required Furthermore he argues that morality requires substantial equality Even libertarian perspectives which would seem to require minimal enforcement of morality are shown to lead to a requirement of equality Medical Ethics and Humanities Frederick Paola,Robert Walker,Lois Nixon,2010-03-09 Medical Ethics and Humanities is a survey of medical ethics and humanities that addresses ethical and legal issues of concern to health care students and providers Authored by experts in medical ethics and humanities the book explains the various approaches to ethical analysis and illustrates their application through the use of

cases and examples Key features of the book include chapter learning objectives chapter summaries illustrative case studies and review questions Medical Ethics and Humanities also covers important topics include moral rules confidentiality pediatric ethics and medical malpractice This is a valuable text for all health care students and professionals The Inescapable Truth: Why Self-Interest Rules Us All Noah Jaslow, 2024-09-02 The Inescapable Truth Why Self Interest Rules Us All This offers a deep dive into the philosophical theory of egoism exploring its profound implications for human behavior morality and society Author Noah Jaslow argues that self interest is not merely a choice but an intrinsic and inescapable aspect of human nature that drives every decision we make Through a rigorous examination of egoism Jaslow challenges traditional notions of altruism suggesting that what we often perceive as selfless acts are ultimately rooted in the pursuit of personal gain The book bridges the gap between abstract philosophical concepts and real world applications illustrating how egoism influences everything from individual moral choices to the structures of modern society including politics economics and culture Jaslow delves into the ethical dilemmas posed by egoism questioning the nature of free will and the possibility of true altruism in a world dominated by self interest Combining philosophical analysis with practical insights The Inescapable Truth encourages readers to critically reflect on their own motivations and the broader forces at play in their lives It presents egoism not just as a theory but as a lens through which to understand the complexities of human nature and the inevitable role of self interest in shaping our world *Economic Analysis, Moral Philosophy and Public Policy* Daniel M. Hausman, Michael S. McPherson, 2006-03-20 This 2006 book shows through accessible argument and numerous examples how understanding moral philosophy can improve economic analysis how moral philosophy can benefit from economists analytical tools and how economic analysis and moral philosophy together can inform public policy Part I explores rationality and its connections to morality It argues that in defending their model of rationality mainstream economists implicitly espouse contestable moral principles Part II concerns welfare utilitarianism and standard welfare economics while Part III considers important moral notions that are left out of standard welfare economics such as freedom rights equality and justice Part III also emphasizes the variety of moral considerations that are relevant to evaluating policies Part IV then introduces technical work in social choice theory and game theory that is guided by ethical concepts and relevant to moral theorizing Chapters include recommended readings and the book includes a glossary of relevant terms Time Biases Meghan Sullivan, 2018-06-13 Should you care less about your distant future What about events in your life that have already happened How should the passage of time affect your planning and assessment of your life Most of us think it is irrational to ignore the future but completely harmless to dismiss the past But this book argues that rationality requires temporal neutrality if you are rational you don't engage in any kind of temporal discounting The book draws on puzzles about real life planning to build the case for temporal neutrality How much should you save for retirement Does it make sense to cryogenically freeze your brain after death How much should you ask to be compensated for a past injury Will climate change make your life

meaningless Meghan Sullivan considers what it is for you to be a person extended over time how time affects our ability to care about ourselves and all of the ways that our emotions might bias our rational planning Drawing substantially from work in social psychology economics and the history of philosophy the book offers a systematic new theory of rational planning

Fair Play in Sport Sigmund Loland,2013-04-15 Fair Play in Sport presents a critical re working of the classic ideal of fair play and explores its practical consequences for competitive sport By linking general moral principles and practical cases the book develops a contemporary theory of fair play The book examines many of the key issues in the ethics of sport including fairness and justice in sport moral and immoral interpretation of athletic performance what makes a good competition the key values of competitive sport The notion of fair play is integral to sport as we know and experience it and is commonly seen as a necessary ethos if competitive sport is to survive and flourish Fair Play in Sport provides an invaluable guide to the subject for all those with an interest in ethics and the philosophy of sport

Encyclopedia of Criminal Justice Ethics Bruce A. Arrigo,2014-07-17 Federal state county and municipal police forces all have their own codes of conduct yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations The police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases with sexual harassment fraud theft and false arrest being the next most prevalent factors The ethical issues and dilemmas in criminal justice also reach deep into the legal professions the structure and administration of justice in society and the personal characteristics of those in the criminal justice professions The Encyclopedia of Criminal Justice Ethics includes A to Z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres of criminal justice systems including policing corrections courts forensic science and policy analysis and research This two volume set is available in both print and electronic formats Features Entries are authored and signed by experts in the field and conclude with references and further readings as well as cross references to related entries that guide readers to the next steps in their research journeys A Reader s Guide groups related entries by broad topic areas and themes making it easy for readers to quickly identify related entries A Chronology highlights the development of the field and places material into historical context a Glossary defines key terms from the fields of law and ethics and a Resource Guide provides lists of classic books academic journals websites and associations focused on criminal justice ethics Reports and statistics from such sources as the FBI the United Nations and the International Criminal Court are included in an appendix In the electronic version the Reader s Guide index and cross references combine to provide effective search and browse capabilities The Encyclopedia of Criminal Justice Ethics provides a general non technical yet comprehensive resource for students who wish to understand the complexities of criminal justice ethics

Recognizing the quirk ways to get this books **Rationality Morality And Self Interest** is additionally useful. You have remained in right site to begin getting this info. get the Rationality Morality And Self Interest associate that we present here and check out the link.

You could buy guide Rationality Morality And Self Interest or acquire it as soon as feasible. You could speedily download this Rationality Morality And Self Interest after getting deal. So, similar to you require the books swiftly, you can straight get it. Its suitably categorically simple and in view of that fats, isnt it? You have to favor to in this song
