Nimon,2005-06-01 Aimed at academic professional and general readers Bush city cyberspace provides a snapshot of the state
of Australian children s and adolescent literature in the early twenty first century and an insight into its history In doing so it
promotes a sense of where Australian literature for young people may be going and captures a literary and critical mood with
which readers in Australia and beyond will identify The title of the work is intended to capture the fact that the field has
changed dramatically in the century and a half that Australian children s literature has existed from the bush myths and
heroism that inform the past and the present through the recognition that the vast majority of authors and readers live in
cities to the third wave of cyberliterature that incorporates multimedia hypertext weblinks and e books none of which lessens
the enduring enthusiasm of practitioners and readers for books Bush city cyberspace is not meant to be an encyclopedic
volume Rather well known recent and or award winning works have been emphasised with the addition of others where these
help to illuminate particular points The book is similar in coverage and approach to *Australian Children s Literature An*
Exploration of Genre and Theme written by the same three authors and published by the Centre for Information Studies in
1995 In the intervening period much has changed in the field notable examples including the blurring of the dividing line
between quality and popular literature the blending of genres the rise of a truly indigenous literature the demise to a
significant extent of Outbackery in fiction the acceptance of multiculturalism as the norm and the advent of the literature of
cyberspace with new methods and the sheer speed of communication between writer and reader All these trends and others
are reflected in this work **Bookbird** ,1987 **Waterstone's Guide to Books** Waterstone & Co,1988 **Growing**
