Spurgeon, 2017-02-07 God loves to answer prayer and Scripture teaches that it is a simple thing to see answered prayer in our own lives Charles Spurgeon s classic writings tackle the fears and questions that arise as we learn to pray His time tested hard hitting teachings will clear the way for you to experience true faith and the power of answered prayer Spurgeon discusses God s promise to hear our prayers the humility of pleading prayer and our position before God s throne of grace Every believer can and should have a life marked by answered prayer Charles Spurgeon will lead you to the place where life begins a place of true communion with God **American Lazarus** Joanna Brooks, 2003-09-11 The 1780s and 1790s were a critical era for communities of color in the new United States of America Even Thomas Jefferson observed that in the aftermath of the American Revolution the spirit of the master is abating that of the slave rising from the dust This book explores the means by which the very first Black and Indian authors rose up to transform their communities and the course of American literary history It argues that the origins of modern African American and American Indian literatures emerged at the revolutionary crossroads of religion and racial formation as early Black and Indian authors reinvented American evangelicalism and created new postslavery communities new categories of racial identification and new literary traditions While shedding fresh light on the pioneering figures of African American and Native American cultural history including Samson Occom Prince Hall Richard Allen Absalom Jones and John Marrant this work also explores a powerful set of little known Black and Indian sermons narratives journals and hymns Chronicling the early American communities of color from the separatist Christian Indian settlement in upstate New York to the first African Lodge of Freemasons in Boston it shows how eighteenth century Black and Indian writers forever shaped the American experience of race and religion
