Incest, Drama and Nature's Law, 1550-1700 Richard A. McCabe,2008-10-30 This is a full length study of incest in English Renaissance and Restoration drama Richard McCabe s comprehensive survey offers a literary history of this theme informed by an investigation of the intellectual background with particular emphasis on changing concepts of natural law and consequent reassessments of classical tradition It examines a wide range of theological philosophical legal and literary sources in the context of modern psychological and sociological theories of family development Extensive comparisons with classical models and contemporary European dramatists from Tasso to Corneille and Racine explore the volatile association between dramatic form and emotional content structural experiment and sexual ambivalence The centrality of the family to all human relationships and the mutual reflection of familial politics and the patriarchal state make incest a powerful metaphor for the ambivalence of all concepts of natural authority and for various forms of social and political revolt **The Revolt of the Scribe in Modern Italian Literature** Thomas Erling Peterson,2010-01-01 The Revolt of the Scribe in Modern Italian Literature offers a perceptive re assessment of Italian literary culture focusing on the nature of modernity through the literature of those who revolt against established norms and expectations By exploring selected works from authors such as Deledda Foscolo Ungaretti Bertolucci and Valeri Thomas E Peterson considers the categories of vatic poetry the feminine voice and the writings of those situated on Italy s cultural periphery As practitioners of literary Italian Peterson argues that these authors are conscious of their role in preserving both language and tradition during a period of great upheaval and national transformation At the same time they use their writings to move towards change combat alienation

and reconfigure the self in relation to the community In treating the act of authorship in terms of its cultural and didactic significance Peterson successfully bridges the gap between traditional literary critical monographs and the trend toward cultural studies *The Nobility and Excellence of Women and the Defects and Vices of Men* Lucrezia Marinella, 2007-11-01 A gifted poet a women s rights activist and an expert on moral and natural philosophy Lucrezia Marinella 1571 1653 was known throughout Italy as the leading female intellectual of her age Born into a family of Venetian physicians she was encouraged to study and fortunately she did not share the fate of many of her female contemporaries who were forced to join convents or were pressured to marry early Marinella enjoyed a long literary career writing mainly religious epic and pastoral poetry and biographies of famous women in both verse and prose Marinella s masterpiece *The Nobility and Excellence of Women and the Defects and Vices of Men* was first published in 1600 composed at a furious pace in answer to Giuseppe Passi s diatribe about women s alleged defects This polemic displays Marinella s vast knowledge of the Italian poetic tradition and demonstrates her ability to argue against authors of the misogynist tradition from Boccaccio to Torquato Tasso Trying to effect real social change Marinella argued that morally intellectually and in many other ways women are superior to men

The Cambridge Companion to the Italian Renaissance Michael Wyatt, 2014-06-26 Leading international contributors present a lively and interdisciplinary panorama of the Italian Renaissance as it has developed in recent decades **Pastoral Drama and Healing in Early Modern Italy** Federico Schneider, 2016-05-13 Pastoral Drama and Healing in Early Modern Italy represents the first full length study to confront seriously the well rehearsed analogy of the pastoral poet as healer Usually associated with the edifying function of the Renaissance pastoral this analogy if engaged more profoundly raises a number of questions that remain unanswered to this day How does the pastoral heal How exactly do the inner workings of the text cater to the healing What socio cultural conventions make the healing possible What are the major problems that pastoral poetry as mimesis must overcome to make its healing morally legitimate In the wake of Derrida s seminal work on the Platonic pharmakon which has in turn led recent criticism to formulate a much more concrete understanding of the theater drug analogy the stringent approach to the therapeutic function of the Renaissance pastoral offered in this work provides a valuable critical tool to unpack the complexity contained within a little understood cliché *From Madrigal to Opera* Mauro Calcagno, 2012-04-18 In this bold highly original book Mauro Calcagno ventures into areas where no other scholar has tread He explores the Petrarchian view of the self over a century long arc from the early madrigal to the beginnings of opera with Monteverdi s masterpieces taking center stage A brilliant tour de force *From Madrigal to Opera* proffers a remarkable new way to look at music performance and reception that rings true not only for the early modern period but also for our own age A must read for scholars performers and lovers of early music Jane A Bernstein author of *Print Culture and Music in Sixteenth Century Venice* The mini renaissance of early modern music studies continues apace and Mauro Calcagno s *From Madrigal to Opera* is its latest particularly impressive installment Drawing on methodological

impulses from a variety of sources linguistics phenomenology narratology and above all performance studies Calcagno pays close attention to the interplay of the abstract text and live performance in both early opera and late madrigal Common strategies rooted in Petrarch's poetic practice indeed united the two genres This book will shape the discussion of early modern vocal music in the coming years Karol Berger is the author of *Bach's Cycle Mozart's Arrow An Essay on the Origins of Musical Modernity* In this pathbreaking study Calcagno offers a new and dynamic interpretation of the relationship between Monteverdi's madrigals and operas based on perceptions of subjectivity expressed in Renaissance literature the poetry of Petrarch in particular Calcagno interprets Monteverdi's work as realizing a Petrarchan notion of the dialogical self a concept that extends well beyond the early modern period to illuminate and enrich our own experience of virtually any vocal work in performance This book should be required reading not only for those interested in music and text of the Early Modern period but for anyone involved in performance studies Ellen Rosand author of *Monteverdi's Last Operas A Venetian Trilogy*
