Reaching For The Beaufort Sea:

Oceanographic Report ,1964 **Arctic Discourses** Anka Ryall,Johan Schimanski,Henning Howlid Wærp,2010-02-19

Both fictional and non fictional accounts of the Arctic have long been a major source of powerful images of the region and have thus had a crucial part to play in the history of human activities there This volume provides a wide reaching investigation into the discourses involved in such accounts above all into the consolidation of a discourse of Arcticism modelled on Edward Said s concept of Orientalism but also into the many intersecting discourses of imperialism nationalism masculinity modernity geography science race ecology indigeneity aesthetics etc Perspectives originating from inside and outside the Arctic along with hybrid positions are examined with special attention being given to the textual genres narratives and figures which they mobilize together with to the close relationship between the Arctic as an unknown place and the literary imagination The different chapters address a wide geographical range of texts providing a necessary supplement to most previous work in the field and also address the wide variety of genres which flourish under the aegis of Arctic discourse ranging from exploration accounts travel writing political texts and journalism through diaries and historical documents to novels and novelizations and including also other media such as music and opera *Outer Continental Shelf*

Environmental Assessment Program, Final Reports of Principal Investigators ,1988 **Marine Fisheries Review** ,2005

Proposed Diapir Field lease offering, June 1984 ,1984 *Coastal Evolution* R. W. G. Carter,C. D. Woodroffe,1994 A 1995 review of how shorelines have changed since the last Ice Age and what this implies for future environmental management

Proposed Diapir Field Lease Offering, June 1984 United States. Minerals Management Service. Alaska OCS Region,1984 **Outer Continental Shelf Oil and Gas Leasing Program, 2012-2017** ,2011 **Arctic Ocean**

Sediments: Processes, Proxies, and Paleoenvironment R. Stein,2008-07-22 Although it is generally accepted that the Arctic Ocean is a very sensitive and important region for changes in the global climate this region is the last major physiographic province of the earth whose short and long term geological history is much less known in comparison to other ocean regions This lack of knowledge is mainly caused by the major technological logistic problems in reaching this harsh ice covered region with normal research vessels and in retrieving long and undisturbed sediment cores During the the last about 20 years however several international and multidisciplinary ship expeditions including the first scientific drilling on Lomonosov Ridge in 2004 a break through in Arctic research were carried out into the central Artic and its surrounding shelf seas Results from these expeditions have greatly advanced our knowledge on Arctic Ocean paleoenvironments Published syntheses about the knowledge on Arctic Ocean geology on the other hand are based on data available prior to 1990 A comprehensive compilation of data on Arctic Ocean paleoenvironment and its short and long term variability based on the huge amount of new data including the ACEX drilling data has not been available yet With this book presenting 1 detailed information on glacio marine sedimentary processes and geological proxies used for paleoenvironmental reconstructions and

2 detailed geological data on modern environments Quaternary variability on different time scales as well as the long term climate history during Mesozoic Tertiary times this gap in knowledge will be filled Aimed at specialists and graduates Presents background research recent developments and future trends Written by a leading scholar and industry expert

Proceedings of a Synthesis Meeting Joe Clyde Truett,1984 Presents and evaluates available environmental data transport and fate of pollutants environmental hazards biota and their food resources and socioeconomic issues related to potential offshore petroleum development in Barrow Arch planning area Contains information presented at first Barrow Arch Synthesis Meeting held in Girdwood Alaska October 31 November 2 1983 *Sailing Directions (planning Guide) for the Arctic Ocean*

United States. Defense Mapping Agency. Hydrographic/Topographic Center,1983 *The Iowa Alumnus* ,1907 **The Bowhead Whale** J.C. George,J.G.M. Thewissen,2020-09-11 The Bowhead Whale *Balaena mysticetus* Biology and Human Interactions covers bowhead biology from their anatomy and behavior to conservation distribution ecology and evolution The book also discusses the biological and physical aspects of the Arctic ecosystem in which these whales live with careful attention paid to the dramatic changes taking place A special section of the book describes the interactions of humans with bowheads in past and present focusing on their importance to Indigenous communities and the challenges regarding entanglement in fishing gear industrial noise and ship strikes This volume brings together the knowledge of bowheads in one place for easy reference for scientists that study the species marine mammal biologists but equally important for everyone who is interested in the Arctic Presents the only current book dedicated to this species Includes short high impact chapters that make it possible to review all bowhead biology in one compact volume Illustrated with never before published photos of bowheads in their natural environment Provides a platform for an in depth understanding of indigenous whaling

Proposed Diapir Field Lease Offering United States. Minerals Management Service. Alaska OCS Region,1983
