*Way - The Secret to Finding and Creating Your Purpose* Kaneen Morgan, 2013-06 Finding Your Way is a book of spiritual rediscovery which inspires and shows you how to discover and achieve your greatest asset and then contribute it to the world. This empowering book will affect anyone seriously interested in changing their lives, discovering their strengths, attacking what prohibits them from moving forward, improving their thinking, career and financial status, and most importantly their faith in God. I was inspired to write this book because I have suffered crises and in faith I claimed to have faith in God yet made the wrong decisions, lacked the proper direction, and experienced homelessness and lack which resulted in mistakenly feeling abandoned by God. Why do many believers experience disruptions, setbacks, and a lack of vision, the vision set forth by God for us? Some are suffering in the lack of spiritual awareness, wisdom, patience, mentorship, and true faith in God. Finally, I found my way. This book takes the reader into a journey of the self, knowing God, and learning to recognize His voice. What does it mean to be faithful to God's word while developing spiritual maturity, spiritual leadership, and spiritual entrepreneurship? Through lessons learned, Finding Your Way offers a spiritual, inspiring, and personal application of receiving God's favor and abundance. This book is intended for Spiritual Leaders, Christian Entrepreneurs, believers in Christ, and those who are transitioning in their careers and lives.

*Street* Nelson Mwangi, 2016-04-04 You will never live a happy life, leave alone, achieve your dreams, and reach your destiny if you fail to find your purpose in life. Every page of this book will help you to not only find your identity but also become conversant about the tenacity you have towards achieving your dream. This discovery will subject you to a splendid life of purpose and passion until you get to your destiny. This book is for teens and young adults who are looking forward to rise above their fears, depart from mediocrity, afford a complete transformation, and efficacy of their lives by first realizing who they are and finding their God's given purpose in life before they embark on a life journey with a sole purpose of becoming successful in all areas of their lives if they adhere to their purpose and live their passion. Parents, As you embark on a venture to gentrify your teens' life, this book will enhance your parenting acumen and help you to undertake your parenting responsibility of inculcating your teens and young adults with the moral responsibilities that they need in order to always make positive decisions, not worth regrets in their present and future lives. Since empowerment is a very vital act of mentorship that fosters self-identity and ameliorates an individual's quality of life, ignorance is bliss only when the knowledge of God is not involved. It's through our relationship with God that we come to find our purpose, gain confidence, become courageous, and suppress our fears in life as we progress towards our destiny. As we seek to find our God-mandated purpose in our lives, it's very imperative to know that life comes in phases where victory of your present stage invigorates your progress in the next stage. Nevertheless, our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It's our light, not our darkness, that most frightens us. Most of the times we ask ourselves, who am I to be brilliant, gorgeous, talented, and successful? Actually, who are you not to be? You are a child of God. Your constrained thinking does not serve or impact the world. Your life is not a mistake. Every human being has a

purpose which should dictate him or her to live a purpose driven life We were born to make manifest the glory of God that is within us Its not just in some of us its in everyone As we let our own light shine we unconsciously give others permission to follow suit As we are emancipated from our own fear our presence and perseverance automatically emancipates others
