Outlines and Highlights for Reaching Out Cram101 Textbook Reviews,David R. Johnson,2009-12 Never HIGHLIGHT a Book Again Virtually all testable terms concepts persons places and events are included Cram101 Textbook Outlines gives all of the outlines highlights notes for your textbook with optional online practice tests Only Cram101 Outlines are Textbook Specific Cram101 is NOT the Textbook Accompanys 9780205578641 **Changing the Rules** Barry L. Duncan,Andrew D. Solovey,Gregory S. Rusk,1992-06-12 All therapists at some time or other are confronted with cases that do not fit the assumptions of their chosen theoretical model clients who should get better do not while others improve for reasons the model does not explain One lesson that can and should be drawn from such cases is that the client s perception of the therapist s behavior and of the intervention process is a powerful factor in therapeutic success or failure These relationship factors account for a significant proportion of change in psychotherapy yet little has been written about how to utilize them Filling a gap in the literature this book presents a pragmatic application of these simple but difficult experiential lessons to the practice of individual couple and family therapy When should a therapist shift gears And how is it done CHANGING THE RULES presents a flexible methodology for practice that encourages clinicians to utilize their clients interpretations in constructing more effective interventions Providing a developmental and empirical context for the approach the book covers the initial interview and the selection design and delivery of interventions as well as issues such as ethics and gender bias Several case examples and two full length studies demonstrate each stage of the therapeutic process fully illustrating the approach and enabling the creative therapist to replicate it in practice Proposing a coherent framework for practice that empowers relationship effects enhances therapist flexibility and expands the repertoire of intervention strategies for working with individuals couples and families this volume is an invaluable resource for clinicians academicians and students regardless of theoretical orientation *Creating a Culture for High-Performing Schools* Cletus R. Bulach,Fred C.

Lunenborg, Les Potter, 2008-08-28 A high performing school is described as one where student achievement is high and student and teacher absenteeism is low Student behavior is such that teachers seldom have to control them or tell them what to do This results in greater time on task higher teacher morale low teacher absenteeism and improved parental support One other distinctive feature of a high performing school is that the student peer group is a positive force and not a negative force The end result is a school culture where faculty and students trust and care about each other and there is a cooperative attitude

Needs Assessment Phase III Laurie Stevahn, Jean A. King, 2010 Ultimately the value of any needs assessment lies in whether it leads to action plans for improving and enhancing the organization or group for which it was conducted In practice this may be more difficult than it would seem This book takes the reader through a journey of getting results utilized and then evaluating the needs assessment itself Pitfalls to avoid along the way are thoughtfully illuminated A major highlight of the text is the double dozen techniques that can be used to make the trip a special experience The text explains where the techniques best fit into making utilization a reality
