Postman's Knock Elaine Ellis,2017-09-04 The old proverb The grass is always greener turned out to be an artist's impression not real life at all When Charlotte Whitfield known to everyone as Charlie receives a letter from her best friend Libby she has no idea that her life is about to change forever Libby and James Charlie's husband have been having an affair and James has decided to leave the marriage and move in with Libby But if Libby and James thought that Charlie was ready to be a victim they had forgotten the tough resourceful woman they had both known and loved Calling on all her strength Charlie takes control of her own life despite losing a baby as well as a husband When James for whom the grass turned out not to be greener on the other side starts to threaten Charlie his erratic behaviour turns quickly into dangerous obsession Charlie is forced to re evaluate everything and find out for the first time what it is she truly wants And beside her all the way is Libby's ex husband Bruce whose underappreciated grace and charm become a bedrock for Charlie Are they too falling in love Elaine Ellis's *Postman's Knock* is a moving story of the way life continues to surprise and how the actions of other people for better or worse make us look anew at ourselves **A Cyclical Model of Literacy Learning** Adrienne Minnery,Antony

T. Smith,2024 This book introduces the Cycle of Responsibility COR model the next step in the evolution of the Gradual Release of Responsibility model which has been a conceptual mainstay of literacy education for decades This new model shifts the current linear model to a cyclical process of multifaceted interactions that better reflect the complexities of early literacy and with an emphasis on constructing knowledge together in the context of vibrant learning communities Focused on reading writing and word study in the primary grades the COR is put into motion through five key motivators challenge creativity collaboration choice and independence Vignettes demonstrate how to enact COR in classroom contexts This practical resource is based on the authors shared research and teaching experiences in employing the COR to empower children as literacy learners and teachers as agents of impactful instruction Book Features Presents the Cycle of Responsibility model a new field tested teaching and learning model Moves away from linear task completion to a cyclical collaborative process that reflects the energetic complex and creative world of classrooms Provides a teacher centric approach that emphasizes shared construction of knowledge and the forces that motivate young learners Includes vignettes from the author's first grade classroom to illustrate ideas in practice as well as a chapter on teacher professional learning This book is a great example of how committed scholars of practice can transport research based practices into a discourse that speaks to teachers Read it Try it You'll like it From the Foreword by P David Pearson emeritus professor UC Berkeley

Parliamentary Papers Great Britain. Parliament. House of Commons,1903 Report Commonwealth Shipping Committee,1910 Reading Contemporary Picturebooks David Lewis,2012-11-12 Reading Contemporary Picturebooks takes a look at one of the most vibrant branches of children s literature the modern picturebook This exciting new book takes a sample of contemporary picturebooks and closely examines the features that make them distinctive and then suggests a way of characterising the interanimation of words and pictures that is the essence of the form The reasons for the picturebook s vitality and flexibility are also explored and the close bond between the picturebook and its readers is analyzed Advances in our understanding of how visual images are organized are examined and the book concludes with an attempt to redescribe the picturebook in such a way that pictures readers and text may be drawn together Picturing Text will be of interest to students teachers and researchers interested in reading children s literature and media studies *Collisions in the Digital Paradigm* David John Harvey,2017-03-23 It has been said that the only asset that a lawyer has is time But the reality is that a lawyer s greatest asset is information The practice and the business of law is all about information exchange

The flow of information travels in a number of different directions during the life of a case A client communicates certain facts to a lawyer The lawyer assimilates those facts and seeks out specialised legal information which may be applicable to those facts In the course of a generation there has been a technological revolution which represents a paradigm shift in the flow of information and communication Collisions in the Digital Paradigm is about how the law deals with digital information technologies and some of the problems that arise when the law has to deal with issues arising in a new paradigm

Distributed Computing Gadi Taubenfeld,2008-09-10 This book constitutes the refereed proceedings of the 22nd International Symposium on Distributed Computing DISC 2008 held in Arcachon France in September 2008 The 33 revised full papers selected from 101 submissions are presented together with 11 brief announcements of ongoing works all of them were carefully reviewed and selected for inclusion in the book The papers address all aspects of distributed computing including the theory design implementation and applications of distributed algorithms systems and networks ranging from foundational and theoretical topics to algorithms and systems issues and to applications in various fields **The Atlantic Monthly** ,1917 *Reading Caravan* Paul Witty,1964 **Pathways to Literacy** Trevor Cairney,1995-11-02 This text recognizes that there is no simple way to develop literacy It begins with the central premise that literacy is not simply a cognitive process but a set of social practices used in socio cultural contexts and argues that literacy learners come to school with unique social histories that need to be recognised in the programmes devised to facilitate learning Cairney claims that literacy is not a unitary social practice and suggests that there are many forms of literacy each with specific purposes and contexts in which they are used The author provides a look at the many practical classroom strategies and practices that are necessary to recognize multiple pathways to literacy Community-Based Transformational Learning Christian Winterbottom,Jody S. Nicholson,F. Dan Richard,2020-05-14 Rooted in the work of community school collaborations this text focuses on connecting the rigors of the classroom with the ambiguity of lived community experience Community Based Transformational Learning CBTL draws on the increasing evidence that course learning conducted in an applied community setting can positively transform students professional and personal identity and creates new ways of thinking and working in university courses and pre professional experiences To illustrate the different ways to successfully implement community based learning examples are provided of experiences integrated in courses across multiple disciplines across an American university whose mission is focused on teaching Topics covered include refugee and immigration transition issues incarceration and health needs with international examples of community experiences from Jamaica Korea and Belize Qualitative and quantitative data depict how these experiences impact students and each chapter presents how community engagement has been established as an effective approach in the different disciplines including computer science and sports management The authors demonstrate how CBTL experiences can be transformative when students are provided a chance to connect the academic commitment to community aims but also provides suggestions for overcoming challenges and pit falls

in developing these experiences **Silence on Monte Sole** Jack Olsen, 2020-05-28 The story of the Italian mountain villagers who lived on Monte Sole trying to survive the war and the horror that overtook them in September and October when the retreating German army massacred 1800 of the citizens of Monte Sole The mountain a 2000 foot peak in central Italy some fifteen miles south of Bologna had been a haven for Partisans For this reason the Germans mistrusted the villagers but the ugly rastrellamento purge occurred more by chance than vengeance Monte Sole happened to be located on the main route of the retreating army and the SS deemed it necessary to neutralize the mountain In operational terms this meant mass murder The book is based on the accounts of survivors the few official records courtroom testimony and visible scars It begins with the postman on his rounds and by this device visits with most of the contadini tenant farmers of the region the priests the storekeeper the elders They are simple people family oriented rather than nationalistic and often likably eccentric It is their very individuality that makes the ensuing chapters on the mass murder so effective Compelling compassionate rarely sentimental a stirring book Jack Olsen is the award winning author of thirty three books published in fifteen countries and eleven languages Olsen s journalism earned the National Headliners Award Chicago Guild s Page One Award commendations from Columbia and Indiana Universities the Washington State Governor s Award the Scripps Howard Award and other honors The Philadelphia Inquirer described him as an American treasure **Individual Instruction** Lucille E.
