**Reading the Bible Again and Seeing It for the First Time** Donald W. Haynes, 2017-04-19 Biblical literacy is fundamental to one's religious quest or spiritual journey Many readers with good intentions get lost or get bogged down trying to read through the Bible on their own If so this is your book For each of the thirty-nine books of the Old Testament this book has an introduction its historical and cultural setting a chapter-by-chapter synopsis of its content its eternal truths that supersede time and golden texts that are worthy of your memorization If you want to see the Bible in the context of its geopolitical world this is your book If you need to extract the eternal truths that supersede the biblical culture this is your book If you'd like to have a personal Bible of memorable golden texts this is your book If you need help as a teacher or preacher this is your book If you need to enhance your understanding of the Bible as the Word of God for the people of God this is your book This book reflects excellent scholarship but it is designed for all ages and stages from millennials to octogenarians

**Israel and the Dead Sea Scrolls** Edmund Wilson, 2017-07-05 The Dead Sea Scrolls a collection of 972 documents discovered between 1946 and 1956 are of immeasurable religious and historical significance They include the oldest known surviving copies of Biblical era documents The manuscripts shed considerable light on forms of Judaism never known before These forms contain hints of Christianity or as put elsewhere it was the Judaism amid which Christ and his first followers lived thought and wrote Edmund Wilson's book is a record of this great scholarly find Wilson was a prolific literary

critic and social commentator not an academic and therefore Israel and the Dead Sea Scrolls reads like a journalist's reportage. This unique personal account weaves together threads of folklore, history and intrigue. As Leon Edel writes in his foreword, "Reading him it is not difficult to imagine the ardor with which Edmund Wilson pursued his complex subject; it was the kind of subject he had always liked best, involving as it did history, politics, ancient lore, and all his faculties for imaginative reconstruction and historical analysis. No book quite like this has been written in our century. The scrolls of the Essenes and the history of this Jewish sect's possible antecedence to Christianity led the author to Israel and to the revelations contained in the scrolls. This book contains his resulting account of the scrolls' history." Originally published in 1978, this edition of Wilson's classic is made contemporary with a new introduction by Raphael Israeli, which illustrates the ongoing academic controversy surrounding the Dead Sea Scrolls.

**Bible Stories and Poems** Wilbur Fisk Crafts, 1915 **The Jewish Quarterly Review**, 1890 *Mississippi Elementary School Curriculum, Grades I-VIII*. Mississippi. State Board of Education, 1926 **The Deaf-Blind** William Wade, 1904 **Where the Earth Ends** Alice Gibbons, 2009 WHERE THE EARTH ENDS Stone Age People Tell Their Story. This book is a collection of six first person true stories. They take you into the world of individuals emerging from the Stone Age who live on the island of New Guinea. A boy, the only son of a war chief, refuses his heritage. He meets a strange being who bursts into his world, a missionary, and begins to follow Jesus. In midlife, our hero becomes the church leader of thousands of people, a chief far greater than his father. A six-year-old girl is the only child of her parents when they become missionaries to a distant tribe. Rebels capture them, forcing them to walk three days into the jungle where there is no food. God delivers them in an amazing fashion. The book is ideal for adults and for use in home and Christian school curricula. Heroes emerge from a foreign culture. Anthropology, history, and geography unfold with the telling of these captivating stories. Each chapter concludes with a Bible lesson and devotional thought. Families with children may choose to read the book together at the story hour. Adults may enjoy reading one chapter each day. Ever wondered if your involvement in world missions is worth the effort? This book provides an answer to this question; you will never forget. Dr. Peter N. Nanfelt, former President of The Christian and Missionary Alliance. Families, adult Bible classes, Christian schools, and home schoolers will find these stories life-changing. I know they changed mine. Mary Dallenbach, Teacher, Worship Leader at Vacaville Christian School, California. ALICE GIBBONS with her husband Don worked with The Christian and Missionary Alliance among the tribal people of Papua, Indonesia, for over 40 years. Her first book, *The People Time Forgot*, published by Moody Press, tells the full and almost unbelievable true story of the Damal people.
