Daniels,2020-05-19 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made **The Living Church** ,1983 **The Reader's Digest Bible** Bible,1982 **The Reader's Digest Bible** Reader's Digest,Reader's Digest Association, Incorporated, The,1982-09-01 **The Reader's Digest Bible - Volume LII** Bruce Manning Metzger,Reader's Digest,1982 **The Lutheran Standard** ,1983 On Reading the Bible Bill Bradfield,2012-07-12 Including quotes by everyone from Abraham Lincoln to Ray Charles hundreds of heartfelt perceptive comments by men and women from all walks of life fill the pages of this inspirational book Reminiscences of an Octogenarian Bruce M. Metzger,1995-09-01 Bruce

Manning Metzger's memoirs trace his life from his childhood in the Pennsylvania Dutch country and his student years at Princeton through his distinguished career of teaching, writing, lecturing, and editing. Professor Metzger's work has won him the gratitude of both biblical scholars and the larger Bible-reading public. His text-critical work on the New Testament is reflected in the standard Greek text now used and appreciated by scholars worldwide. His efforts on the Revised Standard and New Revised Standard versions of the Bible helped produce the readable, accurate English translations used for study and devotion by so many. His work on The Reader's Digest Bible and The Oxford Companion to the Bible has made the Bible more accessible for an untold number of readers. In these memoirs, Professor Metzger's own words put a human face on his monumental scholarly achievements. The wide array of stories and vignettes from Senator Joseph McCarthy's attack on RSV committee members and Metzger's audiences with the pope to the time Professor Metzger and other members of the NRSV committee had to crawl out of a library window to get to their dinner offer the reader a personal insight into some of the twentieth century's crucial developments in the text and translation of the Bible. **CHRISTIANITY** Edward J.
