The sun was creeping just below the mountains when the car suddenly stopped. "I know I should have filled up this morning!", Mum said to herself in frustration. She slapped her hands on the wheel and went very quiet. Mum and Pat got out and pushed the car safely to the side of the road and sat and pushed the car safely to the side of the road and looked around. There was nothing but desert and distant mountains. Not a car in sight. Later, a cold wind started and they both got back in. The sun had disappeared. A few hours went by when Pat finally spotted headlights. Mum was surprised to see the type of car that stopped for them. The driver raised their car up off the ground. Mum and Pat climbed into the truck and were driven to the next town.

Nina perked over her shoulder. She could see dark and heavy clouds creeping towards her. Suddenly, she could hear the trees howling and dancing from side to side. Nina made sure her beanie was firmly on her head before she continued. She pedalled as fast as she could and did not look back. Nina was almost home. All she had to do was cross the bridge and make the long and slow ride up James Street. Her legs were starting to slow down when suddenly she felt her beanie being pulled off her head, before flying across the bridge. The dark cloud was now above her and she felt a cold drop land on her arm.

What I already know	Text clues	I can infer that:

Q) Why did Nina look over her shoulder when she heard the trees howling?

Q) Why did she pedal as fast as she could and not look back?

Q) What is James Street?

Q) How do you think Nina was feeling at the end of the story?
