Reading Capital Politically:

Reading Capital Politically Harry Cleaver, 1979 **33 Lessons on Capital** Harry Cleaver, 2019-10-20 This book provides an up to date reading of Capital Volume I emphasizing the relevance of Marx's analysis to everyday twenty first century struggles Harry Cleaver's treatise outlines and critiques Marx's analysis chapter by chapter His unique interpretation of Marx's labour theory of value reveals how every theoretical category of Capital designates aspects of class struggle in ways that help us resist and escape them At the same time while rooted within the tradition of workerism he understands the working class to include not only the industrial proletariat but also unwaged peasants housewives children and students A challenge to scholars and an invaluable resource for students and activists today *Reading 'Capital' Today* Ingo Schmidt, Carlo Fanelli, 2017-04-20 Recent years have seen a surge of interest in Marxian political economy and especially Marx's great work Capital 150 years after the book's original publication are there readings of Capital that can help us find new pathways to progressive or revolutionary change In this wide ranging new volume leading thinkers reflect on Capital's legacy its limitations and its continuing relevance for today highlighting issues including ecology gender race labour communism the Third World and imperialism The contributors also aim to identify the connections between Capital and various socialist projects of the past and draw lessons from those experiences that might contribute to the reinvention of socialist politics today Contributors include Ingo Schmidt Carlo Fanelli William Pelz Anej Korsika Prabhat Patnaik Silvia Federici Paul Thompson Chris Smith Peter Gose Justin Paulson Jeff Noonan Hannah Holleman and Peter Hudis **Reading Capital** Louis Althusser, 2016-07-12 A classic work of Marxist analysis available unabridged for the first time Originally published in 1965 Reading Capital is a landmark of French thought and radical theory reconstructing Western Marxism from its foundations Louis Althusser the French Marxist philosopher maintained that Marx's project could only be revived if its scientific and revolutionary novelty was thoroughly divested of all traces of humanism idealism Hegelianism and historicism In order to complete this critical rereading Althusser and his students at the cole normale sup rieure ran a seminar on Capital re examining its arguments strengths and weaknesses in detail and it was out of those discussions that this book was born Previously only available in English in highly abridged form this edition appearing fifty years after its original publication in France restores chapters by Roger Establet Pierre Macherey and Jacques Rancière It includes a major new introduction by Étienne Balibar *Reading Capital Today* Ingo Schmidt, Carlo Fanelli, 2017 150 years after the publication of Marx's Capital this edited collection explores the book's relevance today **The Political Philosophy of Poststructuralist Anarchism** Todd May, 1994-07-29 The political writings of the French poststructuralists have eluded articulation in the broader framework of general political philosophy primarily because of the pervasive tendency to define politics along a single parameter the balance between state power and individual rights in liberalism and the focus on economic justice as a goal in Marxism What poststructuralists like Michel Foucault Gilles Deleuze and Jean-François Lyotard offer instead is a

political philosophy that can be called tactical it emphasizes that power emerges from many different sources and operates along many different registers This approach has roots in traditional anarchist thought which sees the social and political field as a network of intertwined practices with overlapping political effects The poststructuralist approach however eschews two questionable assumptions of anarchism that human beings have an essentially benign essence and that power is always repressive never productive After positioning poststructuralist political thought against the background of Marxism and the traditional anarchism of Bakunin Kropotkin and Proudhon Todd May shows what a tactical political philosophy like anarchism looks like shorn of its humanist commitments namely a poststructuralist anarchism The book concludes with a defense contra Habermas and Critical Theory of poststructuralist political thought as having a metaethical structure allowing for positive ethical commitments

Reading Capital's Materialist Dialectic Nick Nesbitt, 2024-05-27 While the explicit Althusserian engagement with Marx's *Capital* remained largely limited to *Reading Capital* after 1968 Nick Nesbitt argues this theoretical intervention remained insistent adopting the form of a general theory of materialist dialectic The book thus analyzes the Althusserianist theory of a materialist dialectic across diverse sites including Althusser's unpublished archive Macherey's exposition of Spinoza's *Ethics* and Badiou's *Logics of Worlds* while simultaneously bringing this fully developed theory of materialist dialectic to bear anew on the reading of *Capital* itself to show that Spinoza's influence on Marx is far greater and that of Hegel increasingly diminishing than has been previously thought

Cyberboss Craig Gent, 2024-08-27 How technologies of organization are redrawing the lines of class struggle Across the world algorithms are changing the nature of work Nowhere is this clearer than in the logistics and distribution sectors where workers are instructed tracked and monitored by increasingly dystopian management technologies In *Cyberboss* Craig Gent takes us into workplaces where algorithms rule to excavate the politics behind the newest form of managerial power Combining worker testimony and original research on companies such as Amazon Uber and Deliveroo the cutting edge of algorithmic management technology this book reveals the sometimes unexpected effects these new techniques have on work workers and managers Gent advances an alternative politics of resistance in the face of digital control

How to Read Marx's Capital Stephen Shapiro, 2008-03-20 *Capital* Volume I is essential reading on many undergraduate courses but the structure and style of the book can be confusing for students leading them to abandon the text This book is a clear guide to reading Marx's classic text which explains the reasoning behind the book's structure and provides help with the more technical aspects that non-economists may find taxing Students are urged to think for themselves and engage with Marx's powerful methods of argument and explanation Shapiro shows that *Capital* is key to understanding critical theory and cultural production This highly focused book will prove invaluable to students of politics cultural studies and literary theory

Literature and the Creative Economy Sarah Brouillette, 2014-04-15 This book contends that mainstream considerations of the economic and social force of culture including theories of the creative class and of cognitive and immaterial labor are indebted to historic

conceptions of the art of literary authorship It shows how contemporary literature has been involved in and has responded to creative economy phenomena including the presentation of artists as models of contentedly flexible and self managed work the treatment of training in and exposure to art as a pathway to social inclusion the use of culture and cultural institutions to increase property values and support for cultural diversity as a means of growing cultural markets Contemporary writers have tended to explore how their own critical capacities have become compatible with or even essential to a neoliberal economy that has embraced art s autonomous gestures as proof that authentic self articulation and social engagement can and should occur within capitalism Taking a sociological approach to literary criticism Sarah Brouillette interprets major works of contemporary fiction by Monica Ali Aravind Adiga Daljit Nagra and Ian McEwan alongside government policy social science and theoretical explorations of creative work and immaterial labor Marx's Capital, Method and Revolutionary Subjectivity Guido Starosta,2015-11-24 In Marx s Capital Method and Revolutionary Subjectivity Guido Starosta develops a materialist inquiry into the social and historical determinations of revolutionary subjectivity Through a methodologically minded critical reconstruction of the Marxian critique of political economy from the early writings up to the Grundrisse and Capital this study shows that the outcome of the historical movement of the objectified form of social mediation which has turned into the very alienated subject of social life i e capital is to develop as its own immanent determination the constitution of the self abolishing working class as a revolutionary subject A crucial element in this intellectual endeavour is the focus on the intrinsic connection between the specifically dialectical form of social science and its radical transformative content *The Value of Marx* Alfredo Saad Filho,2001-11-29 This book constitutes an overview of recent developments in political economy in general and Marxist value theory in particular The implications of value theory for bank credit inflation and deflation are fully explored **Contemporary Readings in Marxism** Ravi Kumar,2022-10-06 This volume straddles between being a compilation of chapters exploring the fundamental conceptual categories within Marxism while engaging with those categories at the same time demonstrating the dynamic ability of the Marxian theoretical paradigm to evolve Challenging the misinterpretation of Marxian theory as rigid deterministic and outdated it shows how the concepts used by the framework become relevant tools for understanding and analysing society Divided across two parts the volume grounds the Marxian concepts in a concrete historico material context of India It will be an important source for any student interested in social theory in general and Marxism in particular **The Logic of Marx's Capital** Tony Smith,1990-01-01 Beginning with value and commodity at the start of Volume I in Marx s major work and progressing step by step to the end of Volume III Smith establishes in detail that Capital is a systematic theory of socio economic categories ordered according to dialectical logic At each stage in his analysis of the theory Smith makes Marx s arguments more accessible He also considers in depth the objections to Marx s employment of dialectical logic that have been formulated by Hegelians especially those presented in Klaus Hartmann s Die Marxsche Theorie Smith presents a persuasive case against this whole range of Marx

criticisms many of which have also been proposed from non Hegelian standpoints

Rethinking Race, Politics, and Poetics Brett St Louis, 2007-12-12 This book assesses the oeuvre of Trinidadian activist intellectual C L R James in its entire polymath range analyzing his writings across disciplines and genres as well as his varied political and cultural concerns

A Companion to Marx's Capital, Volume 2 David Harvey, 2013-09-10 The biggest financial crisis since the Great Depression shows no sign of ending and Marx's work remains key to any attempt to understand the ebb and flow of capitalist economies For nearly forty years David Harvey has written and lectured on Capital becoming one of the world's foremost Marx scholars Based on his recent lectures and following the success of his companion to the first volume of Capital Harvey turns his attention to Volume 2 aiming to bring his depth of learning to a broader audience guiding first time readers through a fascinating and often neglected text Whereas Volume 1 focuses on production Volume 2 looks at how value comes into being through the buying and selling of goods Harvey also introduces elements from Volume 3 on credit and finance to help illustrate aspects of the contemporary crisis

A Companion To Marx's Capital David Harvey, 2018-11-06 The radical geographer guides us through the classic text of political economy In recent years we have witnessed a surge of interest in Marx's work in an effort to understand the origins of our current political and economic crisis For nearly forty years David Harvey has written and lectured on Capital becoming one of the world's foremost Marx scholars Based on his recent lectures this current volume finally bringing together his guides to volumes I II and much of III presents this depth of learning to a broader audience guiding first time readers through a fascinating and deeply rewarding text A Companion to Marx's Capital offers fresh original and sometimes critical interpretations of a book that changed the course of history and as Harvey intimates may do so again

Rosa Luxemburg: A Permanent Challenge for Political Economy Judith Dellheim, Frieder Otto Wolf, 2016-08-30 The book is based upon a call for papers and a conference to mark the 100th anniversary of Rosa Luxemburg's principal work The Accumulation of Capital A Contribution to an Economic Explanation of Imperialism published in 1913 Eleven contributors from five different countries come together to discuss different issues and dimensions connected with Luxemburg's work and focus on its continuing relevancy This collection investigates topics such as the influences of Karl Marx and Maxim Kovalevsky the imperialism debate in German social democracy and the critical reception of Luxemburg's work from Marxist and feminist viewpoints By positioning Luxemburg's work in a historical context this book offers an accessible and timely insight into the significance of The Accumulation of Capital and more importantly demonstrates why Luxemburg's legacy should live on

The Rise of Critical Animal Studies Nik Taylor, Richard Twine, 2014-04-16 As the scholarly and interdisciplinary study of human animal relations becomes crucial to the urgent questions of our time notably in relation to environmental crisis this collection explores the inner tensions within the relatively new and broad field of animal studies This provides a platform for the latest critical thinking on the condition and experience of animals The volume is structured around four sections engaging theory doing critical animal studies critical

animal studies and anti capitalism contesting the human liberating the animal veganism and activism The Rise of Critical Animal Studies demonstrates the centrality of the contribution of critical animal studies to vitally important contemporary debates and considers future directions for the field This edited collection will be useful for students and scholars of sociology gender studies psychology geography and social work **Marx's Concept of Money** Anitra Nelson, 2012-11-12 This work relates Marx's theory of money to his overall political economy and places it firmly within the wider context of his political and philosophical thought It has for some time been held that there exists an epistemological break between the early humanist and later scientific Marx However in this ground breaking study Anitra Nelson links Marx's concept of money to his early key concepts with particular reference to alienation

When people should go to the ebook stores, search opening by shop, shelf by shelf, it is in reality problematic. This is why we allow the books compilations in this website. It will enormously ease you to see guide **Reading Capital Politically** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. Reading Capital Politically Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reading Capital Politically has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reading Capital Politically has opened up a world of possibilities. Downloading Reading Capital Politically provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reading Capital Politically has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reading Capital Politically. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reading Capital Politically. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reading Capital Politically, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reading Capital Politically has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reading Capital Politically Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reading Capital Politically is one of the best book in our library for free trial. We provide copy of Reading Capital Politically in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reading Capital Politically. Where to download Reading Capital Politically online for free? Are you looking for Reading Capital Politically PDF? This is definitely going to save you time and cash in something you should think about.
