informative and useful **Frog in the Pot** Richard Beckham II,2009-11 If life is not a test then what is it That s what Alvin Taylor a 27 year old alcoholic janitor tries to figure out over his winter vacation with help from a mocking yet conscientious voice but after a belligerent night in Canada with his friend Alvin decides to sober up and give back to society by becoming a crossing guard at an elementary school Somewhere along the line between the idealisms of youth and the realities of adulthood we become pacified by our jobs we tolerate how we hurt the world so that we can sustain our lives At some point blurred in the past we traded the greater good for ourselves From Frog in the PotFrog in the Pot is a meditation on loneliness its desperation loss and rejection The narrative is a mixture of introspection opinion and drunken nonsense but there is a larger theme that underscores this prose something reticent in those of us caught between generations or a quarter life crisis This novel is an entertaining blend of cynicism sarcasm and desolation though at its heart is a thread of hope **Reading**
