Globalization and Local Adaptation in International Trade Law Pitman B. Potter, 2011-01-01 The trade principles of Western liberal democracies are at the core of international trade law regimes and standards Are non Western societies adopting international standards or are they adapting them to local norms and cultural values This volume employs the paradigm of selective adaptation to explain the reception of international trade law in the Pacific Rim Drawing on examples from China Japan Thailand and North America the contributors show that formal acceptance of international trade standards does not necessarily translate into uniform enforcement and acceptance at the local level They offer compelling evidence that non uniform compliance will be a legitimate outcome of the globalization of international trade law

Theocratic Democracy Nachman Ben-Yehuda, 2010-11-29 In Theocratic Democracy Nachman Ben Yehuda examines more than fifty years of media reported unconventional and deviant behavior by members of the Haredi community Ben Yehuda finds not only that this behavior has happened increasingly often

over the years but also that its most salient feature is violence a violence not random or precipitated by situational emotional rage but planned and aimed to achieve a theocratic society in Israel He shows how the political structure that accommodates the strong theocratic and secular pressures Israel faces is effectively a theocratic democracy allowing citizens with different worldviews to live under one umbrella of a nation state without tearing the social fabric apart *Handy Book of Fruit Culture Under Glass* David Thomson,1873
