Reality Illusion An Overview Of Course Metaphysics Paperback By Perry:

Reality and Illusion Robert Perry, 2002-09 A Course in Miracles is a spiritual path which focuses on the forgiveness of others and the release from guilt and fear Despite this practical focus the entire path rests on a very lofty vision of ultimate reality The foundation of the Course consists of its answers to age old questions What is real Does God exist What is our essential nature Why are we here How did we get here The Course s answers are profound but often hard to understand This book attempts to organize the Course s metaphysics into a coherent understandable picture Part I presents the Course s view of reality Part II then talks about illusion telling of our primordial break from reality which resulted in this illusory world of separated existence Book jacket

Handbook of Religion and the Authority of Science James R. Lewis, Olav Hammer, 2010-11-19 The present collection examines the many different ways in which religions appeal to the authority of science The result is a wide ranging and uniquely compelling study of how religions adapt their message to the challenges of the contemporary world
