3 Illustrated Good Year Books 288 pages **The Publishers Weekly** ,1983 **What Your Second Grader Needs to
Know** E.D. Hirsch, Jr.,2009-07-29 From the Introduction What kind of knowledge and skills can your child be expected to
learn in second grade at school How can you help your child at home These are questions that we try to answer in this book
It presents the sort of knowledge and skills in literature reading and writing history and geography visual arts music
mathematics and science that should be at the core of a challenging second grade education Because children and localities
differ greatly across this big diverse country so do second grade classrooms But all communities including classrooms
require some common ground for communication and learning In this book we present the specific shared knowledge that
hundreds of parents and teachers across the nation have agreed upon for American second graders This core is not a
comprehensive prescription for everything that every second grader needs to know Such a complete prescription would be
rigid and undesirable But the book does offer a solid common ground that will enable young students to become active
successful learners in their classroom community and later in the larger communities we live in town state nation and world
