Reasons For Faith:

Reasons for Faith Mark Mittelberg, Chad V. Meister, 2007 Gives Christians the tools they need to stand firm in their faith and to share that faith with anyone who asks for a reason for the hope within them **Reasons for Faith (Foreword by Lee Strobel)** Norman L. Geisler, Chad V. Meister, 2007-10-26 Many Christians want to witness for their faith but they are afraid they will not be able to answer questions that others may ask of them First Peter 3 15 reminds believers to always be prepared to make a defense to anyone who asks you for a reason for the hope that is in you Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith By covering the importance of apologetics and then applying apologetics to popular culture and theological issues these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society *Reasons For Faith* John H Gerstner, 2023-07-18 Explore the basis for belief and faith with this thought provoking treatise by John H Gerstner Drawing on theology philosophy and history Gerstner presents compelling arguments for the existence of God and the truth of Christianity This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Why We're Catholic** Trent Horn, 2017-05 How can you believe all this stuff This is the number one question Catholics get asked and sometimes we ask ourselves Why do we believe that God exists that he became a man and came to save us that what looks like a wafer of bread is actually his body Why do we believe that he inspired a holy book and founded an infallible Church to teach us the one true way to live Ever since he became Catholic Trent Horn has spent a lot of time answering these questions trying to explain to friends family and total strangers the reasons for his Catholic faith Some didn't believe in God or even in the existence of truth Others said they were spiritual but didn't think you needed religion to be happy Some were Christians who thought Catholic doctrines over complicated the pure gospel And some were fellow Catholics who had a hard time understanding everything they professed to believe on Sunday Why We're Catholic assembles the clearest friendliest most helpful answers that Trent learned to give to all these people and more Beginning with how we can know reality and ending with our hope of eternal life it's the perfect way to help skeptics and seekers or Catholics who want to firm up their faith understand the evidence that bolsters our belief and brings us joy *Reasons for Faith in this Nineteenth Century* John McDowell Leavitt, 1884 *Reasons for Faith and Other Contributions to Christian Evidence* Arthur Foley Winnington Ingram, 1907 *Reasons for Faith*, 18?? *Reasons for Faith* John McDowell Leavitt, 2015-07-17 Excerpt from

REASONS FOR FAITH Have you ever considered your eternal impact Do you have a desire to offer commonsense answers to spiritual and popular questions yet feel ill equipped to do so When the storms of life come does your faith tend to waver Do you wish you had answers to nagging questions you have yet to articulate or investigate Reasons for Faith is the first book for women on Christian Apologetics and the first book women turn to for Christian Apologetics GAIN ANSWERS TO THESE POPULAR QUESTIONS Does God exist Can I trust the Bible Does Christianity oppress women Is truth subjective or objective Why would God allow evil and suffering Is Jesus God and is there proof He rose from the dead How does or should my faith guide my life **Reasons to Believe** Scott Hahn,2007-05-08 This book unravels mysteries corrects misunderstandings and offers thoughtful straightforward responses to common objections about the Catholic faith Bestselling author Scott Hahn a convert to Catholicism has experienced the doubts that so often drive discussions about God and the Church In the years before his conversion he was first a nonbeliever and then an anti Catholic clergyman In REASONS TO BELIEVE he explains the how and why of the Catholic faith drawing from Scripture his own struggles and those of other converts as well as from everyday life and even natural science Hahn shows that reason and revelation nature and the supernatural are not opposed to one another rather they offer complementary evidence that God exists But He doesn't merely exist He is someone and He has a personality a personal style that is discernible and knowable Hahn leads readers to see that God created the universe with a purpose and a form a form that can be found in the Book of Genesis and that is there when we view the natural world

through a microscope through a telescope or through our contact lenses At the heart of the book is Hahn's examination of the ten keys to the kingdom the characteristics of the Church clearly evident in the Scriptures As the story of creation discloses the world is a house that has a Father a palace where the king is really present God created the cosmos to be a kingdom and that kingdom is the universal Church fully revealed by Jesus Christ *Reason and the Reasons of Faith* Paul J. Griffiths, Reinhard Hütter, 2005-04-05 A distinguished group of scholars examines the crisis of faith in reason and reason in faith *Reasons for Faith* K. Scott Oliphant, 2006 Sets forth a Christian approach to thinking philosophically Identifies the Christian position as the consistent cogent and reasonable one offering solutions to the problems posed *Faith Has Its Reasons* Kenneth Boa, Robert M. Bowman Jr., 2012-01-05 A most accessible but thoroughly practical primer on apologetics

Reasons to Reason Nancy A. Almodovar, 2021-07-22 Apologetics What is that Isn't that for theologians and pastors These are the rebuttals one might receive when encouraging Christians to learn and engage in apologetics the defense of the Christian faith This book isn't about apologetics per se Instead it reviews the many benefits for Christians engaging in apologetics and learning about it Dr Almodovar reviews what aspects of the field helped strengthen her own faith and brought excitement in bringing the good news of the forgiveness of sins through Jesus Christ as she spoke with those who aren't Christians Over the past years Dr Almodovar has actively engaged in encouraging Christians to actually do apologetics and many have come back to her saying it not only helped them answer the questions of non believers but strengthened their own faith knowing now the great amount of evidence there is for the Christian religion If you've never engaged in defending the faith now is the time to learn how it will benefit you in your walk with Christ and perhaps excite you to dig a little deeper so you too can answer their questions about Jesus his life death and resurrection for the forgiveness of all our sins

Reasons for Faith, in a Letter to a Friend Religious Tract Society (Great Britain), 18?? *Reasons We Believe (Foreword by John MacArthur)* Nathan Busenitz, 2008-07-22 *Reasons We Believe* will reinforce your personal faith and will provide you with a clear concise evangelistic tool to help you share that faith with others In an age of cynics and skeptics Christianity is constantly under attack Believers need resources that defend the veracity of their faith They are searching for clear concise and credible answers to both doubts of their own and objections from their unbelieving friends Nathan Busenitz provides such resources to believers *Reasons We Believe* confirms and strengthens the faith of believers by demonstrating the reliability of the twofold authority on which Christianity rests the Word of God and the person of Jesus Christ *Reasons* builds a biblical foundation for the authority of the Bible and then shows how extra biblical evidence corresponds with and thereby attests to what the Bible claims This study seeks to reinforce the faith of Christians while also providing them with a straightforward evangelistic tool for reaching non Christians *Reasons for Faith*, 2007 *Reasons for Faith* John Henry Gerstner, 1960 Presents a rational defense of the Christian faith making a strong case for orthodox Christianity without bypassing the mind or belittling genuine questions Gives objections to Christianity and answers those objections
