Redating The Teacher Of Righteousness:

Redating the Teacher of Righteousness Barbara Elizabeth Thiering, 1979 Reconstruction of the Qumran community in the light of the publication of the Dead Sea Scrolls **Jesus Outside the New Testament** Robert Van Voorst, 2000-04-13 Presents evidence and information aside from the Christian scriptures on the life and teaching of Jesus Christ Features excerpts in Roman correspondence and the early Christian writings known as the New Testament Apocrypha *The Dead Sea Scrolls* Arthur E. Palumbo, 2004 Who wrote the Dead Sea Scrolls Paleographical dating has tended to downplay the Scrolls importance and to distance them from the personages of earliest Christianity but a carefully worked out theory based on radiocarbon dating and other tests connects **The Bible and the Dead Sea Scrolls: Scripture and the scrolls** James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity **A Bibliography of the Finds in the Desert of Judah, 1970-95** Donald Parry, Florentino García Martínez, 2018-11-26 This volume contains a bibliography of the research on the Dead Sea Scrolls published during the last 25 years and as such it provides scholars with an indispensable tool for further research Although originally planned as a continuation of B Jongeling's *A Classified Bibliography of the Finds of the Desert of Judah 1958-1969* the materials are presented in a different way in order to avoid unnecessary duplications of entries Each bibliographical entry is alphabetically listed in the first part of the book and is provided with an identification number which allows for multiple classifications The second part offers a sophisticated classification of the materials by themes topics and key words but also by manuscript numbers and titles of the compositions as well as by authors **The Cave of John the Baptist** Shimon Gibson, 2004-08-17 The first archaeological evidence of the historical reality of the Gospel story From a historical point of view the uniqueness of this cave is that it contains archaeological evidence that comes to us from the very time of the personalities and events described in the Gospels For here is the largest ritual bathing pool ever found in the Jerusalem area and found in the village where John the Baptist was born showing unmistakable signs of ritual use in the first century AD Also in the cave is the earliest ever Christian art depicting John the Baptist as well as the three crosses of the crucifixion By using the forensic techniques available to the modern archaeologist Gibson and his international team have been able to draw information from the drawings pottery coins bones remains of ritual fire and pieces of cloth found in the cave and match these up with the contemporary literary sources This is a unique opportunity to build up a picture of the very first Christians how they lived and even what they believed As Gibson writes By fitting together the new archaeological facts with the historical information available and sometimes buried in scholarly literature I believe I am able to throw an amazing amount of light on the personality and mission of John the Baptist Who was he Where did he come from

What were his beliefs and what was the baptism all about The Pesher Nahum Scroll from Qumran Shani Berrin, 2018-11-01 The underlying premise of this study is the close relationship between Pesher Nahum 4Q169 and its biblical base text Historical and literary considerations as well as theological sociological halakhic textual and linguistic data are examined in terms of their exegetical functions This edition includes a transcription and translation of 4QpNah with textual notes The treatment of 4QpNah follows the natural division of the extant text into five thematic literary sections or pericopes each consisting of a series of lemma pesher units For each pericope proposed historical contextualizations are evaluated on the basis of exegetical criteria Equivalents are mapped for each unit such that individual elements of each lemma are aligned with corresponding elements from the biblical base text A focus upon lemma pesher correspondence provides the framework for systematic exegetical analysis of 4QpNah The Ancient Library of Qumran Frank Moore Cross, 1995 Since the first publication of this book in 1959 it has become a classic It is a sober and objective account by a scholar who has taken a leading part in the editing and evaluation of the Qumran texts The book opens with an account of the history of the finds and each subsequent chapter deals with a single but major area of scroll research Each records an attempt to achieve in a given area a synthesis or at least a systematic interpretation of the facts now available Old and new published and unpublished data are drawn upon For this revised edition the history of the finds has been updated to the present and a final chapter has been added detailing some of the author's views of and reactions to recent discussions and publications not found in the earlier editions **Paul, Founder of Churches** James Constantine Hanges, 2012 Expanded from the author's dissertation University of Chicago 1999 *The Jerusalem Tradition in the Late Second Temple Period* Heerak Christian Kim, 2007 The Late Second Temple Period c 200 BC to 70 AD was a period of intense social changes for the Jewish people During this period the Jewish people experienced a Syrian king defiling the Jerusalem Temple the Maccabean Revolt the celebration of Hanukkah the establishment of a competing Jewish temple in Egypt and the destruction of the Jerusalem Temple During this time Jews spread out all over the Diaspora The turmoil and the lack of visible cohesion have led many scholars to argue that there was no Jewish unity and no distinguishable Jewish identity in this time period This book argues against this trend in academia and posits that a strong Jerusalem tradition unified the Jewish people Book jacket
