Redefining Eden 19822004 19822004:

Redefining Eden 1982-2004 Chris Marceron, 2005-01-01 Over the last twenty years the story of one's life can be told in many ways. Never having studied the poetic form I instead used the moments in life that tend to define you. As I put these together and looked over the span of time in which these were written I saw my maturity as it blossomed. Leaving most intact as they were when written I hope you can climb into my heart and soul and sense the emotions I felt as these flowed out. They are my life and thoughts as I saw at the time. In not knowing any true answers I seemed to always find myself redefining Eden. I hope you see the beauty as I have in my interpretation of life and love.
