Stringfellow, 2014-05-14 Have you ever felt that God has something special planned for your life Do you feel as though you have failed to receive His greater blessings It may be that you haven't fully matured as a Christian Great Truths of the Bible provides you with a greater understanding of God's will as revealed through His Word by presenting 48 fundamental spiritual principles of the Christian faith in a 52 lesson format This study will Build your confidence in the truth of all Scripture Help you to better understand difficult passages of the Bible Provide insights into subjects rarely taught or preached Take you through the entire Bible focusing on key principles of Scripture As you follow this guide you will discover exactly how God prepares you for the many choices you'll face in life These truths will become a living reality in your Christian walk and you will become a doer of the Word and not a hearer only See James 1:22 **Six Thousand Illustrations of Moral and Religious Truths** John Bate, 1899 **Whispered Wild Truths** Zeynel Alaca, 2025-08-04 This book reveals how moral norms established by societies function as mechanisms of control over the individual and how shifting values socio political interests and cultural codes continuously reshape these norms It boldly argues that the feeling of guilt does not originate within the individual but stems from societal expectations pressures and strategies of punishment Taking you behind the curtain of social morality this book invites you to understand conscience and guilt not as inner voices but as sociological strategies Get ready to discover that the greatest obstacles to individual freedom and true conscience lie not within us but in the external systems and structures that surround us **Truths for All People** Alexander Jarvie, 1881 **Redemption Truths** Robert Anderson, **His Truth** Jack Cottrell, 2001-09-25 What is truth Pilate's question to Jesus holds a special relevance today In an age of communication and scientific discovery this is still a time when truth is more a matter of opinion than fact In this revised edition of His Truth Dr Jack Cottrell investigates truth and reality as revealed in the Bible His Truth deals with controversial subjects like grace assurance God's call predestination and other doctrines that many people view as hard to understand The Biblical repositior (and quarterly observer) [afterw.] The American biblical repository [afterw.] The biblical repository and classical review, conducted by E. Robinson.
