Redesigning The American Dream Gender Housing And Family Life:

Redesigning The American Dream Revised And Updated Dolores Hayden, 2002-09-03 In a provocative critique of American housing patterns that perpetuate Victorian stereotypes of the home as woman's place and the city as man's world urban historian and architect Dolores Hayden tallies the personal and social costs that an architecture of gender creates for the two earner family the single parent family and single people She traces three models of home in historical perspective to document innovative alternatives for reconstructing neighborhoods [Redesigning the American Dream](#) Dolores Hayden, 1986 The noted feminist theorist argues for a new conception of architectural design and outlines housing plans that will support new patterns of nurturing and opportunity for a range of individuals and families [How We Live Now](#) Bella DePaulo, 2015-08-25 A close up examination and exploration *How We Live Now* challenges our old concepts of what it means to be a family and have a home opening the door to the many diverse and thriving experiments of living in today's America Across America and around the world in cities and suburbs and small towns people from all walks of life are redefining our lifespaces the way we live and who we live with The traditional nuclear family in their single family home on a suburban lot has lost its place of prominence in contemporary life Today Americans have more choices than ever before in creating new ways to live and meet their personal needs and desires Social scientist researcher and writer Bella DePaulo has traveled across America to interview people experimenting with the paradigm of how we live In *How We Live Now* she explores everything from multi generational homes to cohousing communities where one's family is made up of friends and neighbors to couples living apart together to single living and ultimately uncovers a pioneering landscape for living that throws the old blueprint out the window Through personal interviews and stories media accounts and in depth research *How We Live Now* explores thriving lifespaces and offers the reader choices that are freer more diverse and more attuned to our modern needs for the twenty first century and beyond [Encyclopedia of Activism and Social Justice](#) Gary L. Anderson, Kathryn G. Herr, 2007-04-13 This is an important historical period in which to develop communication models aimed at creating opportunities for citizens to find a voice for new experiences and social concerns Such basic social problems as inequality poverty and discrimination pose a constant challenge to policies that serve the health and income needs of children families people with disabilities and the elderly Important changes both in individual values and civic life are occurring in the United States and in many other nations Recent trends such as the globalization of commerce and consumer values the speed and personalization of communication technologies and an economic realignment of industrial and information based economies are often regarded as negative Yet there are many signs from the WTO experience in Seattle to the rise of global activism aimed at making biotechnology accountable that new forms of citizenship politics and public engagement are emerging The *Encyclopedia of Activism and Social Justice* presents a comprehensive overview of the field with topics of varying dimensions breadth and length This three volume Encyclopedia is designed for readers to understand the topics concepts and ideas that

motivate and shape the fields of activism civil engagement and social justice and includes biographies of the major thinkers and leaders who have influenced and continue to influence the study of activism Key Features Offers multidisciplinary perspectives with contributions from the fields of education communication studies political science leadership studies social work social welfare environmental studies health care social psychology and sociology Provides an easily recognizable approach to topics ideas persons and concepts based on alphabetical and biographical listings in civil engagement social justice and activism Addresses both small scale social justice concepts and more large scale issues Includes biography pieces indicating the concepts ideas or legacies of individuals and groups who have influenced current practice and thinking such as John Stuart Mill Rachel Carson Mother Jones Martin Luther King Jr Karl Marx Mohandas Gandhi Nelson and Winnie Mandela Dorothy Day and Thomas Merton

Going Solo Eric Klinenberg, 2013-01-29 With eye opening statistics original data and vivid portraits of people who live alone renowned sociologist Eric Klinenberg upends conventional wisdom to deliver the definitive take on how the rise of going solo is transforming the American experience Klinenberg shows that most single dwellers whether in their twenties or eighties are deeply engaged in social and civic life There s even evidence that people who live alone enjoy better mental health and have more environmentally sustainable lifestyles Drawing on more than three hundred in depth interviews Klinenberg presents a revelatory examination of the most significant demographic shift since the baby boom and offers surprising insights on the benefits of this epochal change

Space, Gender, Knowledge: Feminist Readings Linda McDowell, Joanne Sharp, 2016-04-29 Space Gender Knowledge is an innovative and comprehensive introduction to the geographies of gender and the gendered nature of spatial relations It examines the major issues raised by women s movements and academic feminism and outlines the main shifts in feminist geographical work from the geography of women to the impact of post structuralism In making their selection the editors have drawn on a wide range of interdisciplinary material ranging across spatial scales from the body to the globe The book presents influential arguments for the importance of the intersection between space and gender Looking both at geography and beyond the discipline it explores the gendered construction of space and the spatial construction of gender Divided into a number of conceptual sections each prefaced by an editorial introduction this reader includes extracts from both landmark texts and less well known works making it an indispensable introduction to this dynamic field of study
