Rediscovering Northwest Denver Ruth E. Wiberg, **The Vanishing Messiah** David N. Wetzel, 2016-06 By November of 1895 it is estimated that Schlatter was treating thousands of people every day and the neighborhood in which he was staying was overrun with the sick and lame their families reporters from across the country and hucksters hoping to make a quick buck off the local attention Then one night Schlatter simply vanished Eighteen months later his skeleton was reportedly found on a mountainside in Mexico s Sierra Madre range finally bringing Schlatter s great healing ministry to an end Or did it Within hours of the announcement of Schlatter s found remains a long haired man emerged in Cleveland to say that he was Francis Schlatter and the next twenty five years several others claimed to be Denver s great healer The Making of Western Labor Radicalism David Thomas Brundage, 1994 In developing his interpretation Brundage also provides new information and fresh insights on a variety of topics the role of Irish nationalism in the Knights of Labor the meanings of working class temperance the origins of syndicalist theory the impact of populism on the working class and the roots of the trade union Democratic party alliance that came to dominate the twentieth century labor movement *A Colorado History, 10th Edition* Maxine Benson, Duane A. Zimmer, 2013 *Images of America Denver s Historic Homes* provides a mere introduction into the myriad of architectural styles and the unique blending of cultures that have made the Rocky Mountain region so remarkable from the city s inception as a mining claim to what it has become today From itinerantly used sod and log homes to mansions that rivaled the grandest of their period Denver s eclectic gathering of early residents produced a landscape of architectural monuments that attest to the people s needs desires values and occasional eccentricities *The New Empire of the Rockies* Steven F. Mehls, 1984 This volume represents the fourth in a series of five Class 1 Overview histories prepared by the Colorado State Office Bureau of Land Management The purpose of these works is to develop a synthetic history of a given area in order to provide our managers and staff specialists with a baseline overview of the history of a district It must be

noted that the major cities like Denver Colorado Springs Boulder Fort Collins and Greeley are only mentioned This is because there is no public land in these places and the Bureau s mandate is to manage the public lands not private estates Foreword
