Reduplication Doubling In Morphology

Jenny Audring, Francesca Masini

Reduplication Doubling In Morphology:

Reduplication Sharon Inkelas, Cheryl Zoll, 2005-02-24 This groundbreaking new study takes a novel approach to reduplication a phenomenon whereby languages use repetition to create new words Sharon Inkelas and Cheryl Zoll argue that the driving force in reduplication is identity at the morphosyntactic not the phonological level and present a new model of reduplication Morphological Doubling Theory that derives the full range of reduplication patterns This approach shifts the focus away from the relatively small number of cases of phonological overapplication and underapplication which have played a major role in earlier studies to the larger class of cases where base and reduplicant diverge phonologically The authors conclude by arguing for a theoretical shift in phonology which entails more attention to word structure As well as presenting the authors pioneering work this book also provides a much needed overview of reduplication the study of which has become one of the most contentious in modern phonological theory

Reduplication Sharon Inkelas, 2005 This groundbreaking new study takes a novel approach to reduplication a phenomenon whereby languages use repetition to create new words Sharon Inkelas and Cheryl Zoll argue that the driving force in reduplication is identity at the morphosyntactic not the phonological level and present a new model of reduplication Morphological Doubling Theory that derives the full range of reduplication patterns This approach shifts the focus away from the relatively small number of cases of phonological overapplication and underapplication which have played a major role in earlier studies to the larger class of cases where base and reduplicant diverge phonologically The authors conclude by arguing for a theoretical shift in phonology which entails more attention to word structure As well as presenting the authors pioneering work this book also provides a much needed overview of reduplication the study of which has become one of the most contentious in modern phonological theory

The Oxford Handbook of Morphological Theory Jenny Audring, Francesca Masini, 2019 This volume is the first handbook devoted entirely to the multitude of frameworks adopted in the field of morphology It offers critical discussions of the main theoretical issues in word formation and inflection a detailed guide to each morphological theory and explorations into the relationship between morphological theory and other fields

Exact Repetition in Grammar and Discourse Rita Finkbeiner, Ulrike Freywald, 2018-09-24 Most scholars define reduplication as a formally restricted grammatical process neatly distinguishing it from mere repetition as a discursual option However there is a fuzzy grey area between the two processes that has rarely been explored so far In this timely collection the phenomenon of exact repetition understood broadly as the systematic iteration of one and the same linguistic item within relatively close syntactic proximity is investigated from a number of angles The volume contains studies from phonology morphology syntax semantics and pragmatics and deals with a broad range of languages including alleged reduplication avoiders In bringing together different theoretical perspectives phenomenological domains and methodologies and in linking the fields of syntax and discourse to those of morphology and morphophonology the volume provides new insights into the structure and meaning of exact

repetition phenomena and more generally into their status within a theory of language The collection will appeal to formally and functionally oriented scholars from all subfields of linguistics including typology **The Study of Language** George Yule,2014-03-10 This bestselling textbook provides an engaging and user friendly introduction to the study of language Assuming no prior knowledge of the subject Yule presents information in bite sized sections clearly explaining the major concepts in linguistics from how children learn language to why men and women speak differently through all the key elements of language This fifth edition has been revised and updated with new figures and tables additional topics and numerous new examples using languages from across the world To increase student engagement and to foster problem solving and critical thinking skills the book includes thirty new tasks An expanded and revised online study guide provides students with further resources including answers and tutorials for all tasks while encouraging lively and proactive learning This is the most fundamental and easy to use introduction to the study of language **Constructions with Lexical**

Repetitions in East Slavic Mikhail Kopotev,Kyongjoon Kwon,2024-07-01 Repetition is a well studied phenomenon in morphology and lexicology but has received less attention on the syntactic level The book sheds light on syntactic constructions with lexical repetition in East Slavic languages Several contributions address syntactic constructions that have developed in form and meaning in accordance with general tendencies found in many languages for example English Boys will be boys However most chapters focus on constructions that resist typological explanation for example Rus trouble nom sg so trouble nom sg Ukr fool nom sg fool ins sg *The Blackwell Companion to Phonology, 5 Volume Set* Marc van Oostendorp,2011-04-04 Available online or as a five volume print set The Blackwell Companion to Phonology is a major reference work drawing together 124 new contributions from leading international scholars in the field It will be indispensable to students and researchers in the field for years to come Key Features Full explorations of all the most important ideas and key developments in the field Documents major insights into human language gathered by phonologists in past decades highlights interdisciplinary connections such as the social and computational sciences and examines statistical and experimental techniques Offers an overview of theoretical positions and ongoing debates within phonology at the beginning of the twenty first century An extensive reference work based on the best and most recent scholarly research ideal for advanced undergraduates through to faculty and researchers Publishing simultaneously in print and online visit www.companiontophonology.com for full details Additional features of the online edition ISBN 978 1 4443 3526 2 Powerful searching browsing and cross referencing capabilities including Open URL linking with all entries classified by key topic subject place people and period For those institutions already subscribing to Blackwell Reference Online it offers fully integrated and searchable content with the comprehensive Handbooks in Linguistics series The size of things II Zheng Shen,Sabine Laszakovits,2023-12-11 This book focuses on the role size plays in grammar Under the umbrella term size fall the size of syntactic projections the size of feature content and the size of reference sets This Volume II discusses size effects

in movement agreement and interpretation while the contributions in Volume I focus on size and structure building Part I of Volume II investigates how size interacts with head movement and various phrasal movement including left branch extraction object shift tough movement and multiple wh movement Part II of this volume discusses the role size plays in agreement and morphology related matters like allomorphy Contributions in Part III focus on semantic oriented issues in particular the size of reference domains and NPI licensing The languages covered in this volume include American Sign Language Bosnian Croatian Serbian and various other Slavic languages German Icelandic dialects of Italian Japanese Nancowry Panoan languages and Tamil

Identity Relations in Grammar Kuniya Nasukawa, Henk Riemsdijk, 2014-10-06
Few concepts are as ubiquitous in the physical world of humans as that of identity Laws of nature crucially involve relations of identity and non identity the act of identifying is central to most cognitive processes and the structure of human language is determined in many different ways by considerations of identity and its opposite The purpose of this book is to bring together research from a broad scale of domains of grammar that have a bearing on the role that identity plays in the structure of grammatical representations and principles Beyond a great many analytical puzzles the creation and avoidance of identity in grammar raise a lot of fundamental and hard questions These include Why is identity sometimes tolerated or even necessary while in other contexts it must be avoided What are the properties of complex elements that contribute to configurations of identity XX What structural notions of closeness or distance determine whether an offending XX relation exists or inversely whether two more or less distant elements satisfy some requirement of identity Is it possible to generalize over the specific principles that govern non identity in the various components of grammar or are such comparisons merely metaphorical Indeed can we define the notion of identity in a formal way that will allow us to decide which of the manifold phenomena that we can think of are genuine instances of some identity avoidance effect If identity avoidance is a manifestation in grammar of some much more encompassing principle some law of nature then how is it possible that what does and what does not count as identical in the grammars of different languages seems to be subject to considerable variation

The Persistence of Language Shannon T. Bischoff, Deborah Cole, Amy V. Fountain, Mizuki Miyashita, 2013-05-28 This edited collection presents two sets of interdisciplinary conversations connecting theoretical methodological and ideological issues in the study of language In the first section Approaches to the study of the indigenous languages of the Americas the authors connect historical theoretical and documentary linguistics to examine the crucial role of endangered language data for the development of biopsychological theory and to highlight how methodological decisions impact language revitalization efforts Section two Approaches to the study of voices and ideologies connects anthropological and documentary linguistics to examine how discourses of language contact endangerment linguistic purism and racism shape scholarly practice and language policy and to underscore the need for linguists and laypersons alike to acquire the analytical tools to deconstruct discourses of inequality Together these chapters pay homage to the scholarship of Jane H Hill

demonstrating how a critical interdisciplinary linguistics narrows the gap between disparate fields of analysis to treat the ecology of language in its entirety

As recognized, adventure as without difficulty as experience approximately lesson, amusement, as skillfully as pact can be gotten by just checking out a books **Reduplication Doubling In Morphology** along with it is not directly done, you could assume even more concerning this life, approaching the world.

We provide you this proper as with ease as simple showing off to acquire those all. We offer Reduplication Doubling In Morphology and numerous book collections from fictions to scientific research in any way. along with them is this Reduplication Doubling In Morphology that can be your partner.

Reduplication Doubling In Morphology Introduction

Reduplication Doubling In Morphology Offers over 60,000 free eBooks, including many classics that are in the public domain.

Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works.

Reduplication Doubling In Morphology Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Reduplication Doubling In Morphology : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a

popular resource for finding various publications. Internet Archive for Reduplication Doubling In Morphology : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Reduplication Doubling In Morphology Offers a diverse range of free eBooks across various genres. Reduplication Doubling In Morphology Focuses mainly on educational books, textbooks, and business books.

It offers free PDF downloads for educational purposes. Reduplication Doubling In Morphology Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Reduplication Doubling In Morphology, especially related to Reduplication Doubling In Morphology, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Reduplication Doubling In Morphology, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Reduplication Doubling In Morphology books or magazines might include. Look for these in online stores or libraries. Remember that while Reduplication Doubling In Morphology, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Reduplication Doubling In Morphology eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Reduplication Doubling In Morphology full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reduplication Doubling In

Morphology eBooks, including some popular titles.

FAQs About Reduplication Doubling In Morphology Books

What is a Reduplication Doubling In Morphology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reduplication Doubling In Morphology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reduplication Doubling In Morphology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reduplication Doubling In Morphology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reduplication Doubling In Morphology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
