Reference Book on Major Transnational Corporations Operating in Namibia United Nations. Commissioner for Namibia, 1985 **Swapo's Struggle for Namibia, 1960-1991** Lauren Dobell, 1998 *Defending the Investment* Saima Nakuti Ndahangwapo, 2025-03-01 In the 1970s Rio Tinto Zinc's Rössing Uranium mine became a symbol of injustice for Namibian nationalists and international opponents of South African rule Yet counterintuitively the mine survived decolonisation in Namibia virtually unscathed and was reimagined as part of modern independent Namibia This book explores the development of the Rössing Uranium mine during the colonial and early post colonial period The book presents a detailed understanding of the strategies adopted by big business in response to changes in the political and economic environment in Namibia It does so through a case study of big business and diplomacy in the establishment and operations of the Rössing Uranium mine under colonial rule and decolonisation The focus of the book is ultimately on the public relations campaign which was adopted by Rössing Uranium in anticipation of the impending political change in Namibia **The Political Economy of Namibia** Tore Linné Eriksen, Richard Moorsom, 1989 Research institutes and documentation centres *Sociétés Transnationales* Centre on Transnational Corporations (United Nations), 1988 **Sovereigns, Quasi Sovereigns, and Africans** Siba N'Zatioula Grovogui, 1996 *Sovereigns Quasi Sovereigns and Africans* was first published in 1996 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions In this trenchant critique Siba N'Zatioula Grovogui demonstrates the failure of international law to address adequately the issues surrounding African self determination during decolonization Challenging the view that the only requirement for decolonization is the elimination of the legal instruments that provided for direct foreign rule *Sovereigns Quasi Sovereigns and Africans* probes the universal claims of international law Grovogui begins by documenting the creation of the image of Africa in European popular culture examining its construction by conquerors and explorers scientists and social scientists and the Catholic Church Using the case of Namibia to illuminate the general context of Africa he demonstrates that the principles and rules recognized in international law today are not universal but instead reflect relations of power and the historical dominance of specific European states Grovogui argues that two important factors have undermined the universal applicability of international law its dependence on Western culture and the way that international law has been structured to preserve Western hegemony in the international order This dependence on Europe-dominated models and legal apparatus has resulted in the paradox that only rights sanctioned by the former colonial powers have been accorded to the colonized regardless of the latter's needs In the case of Namibia Grovogui focuses on the discursive strategies used by the West and their southern African allies to control the legal debate as well as the tactics used by the colonized to recast the terms of the discussion Grovogui blends critical legal theory historical research political economy and cultural studies with profound knowledge of contemporary

Africa in general and Namibia in particular Sovereigns Quasi Sovereigns and Africans represents the very best of the new scholarship moving beyond narrow disciplinary boundaries to illuminate issues of decolonization in Africa Siba N Zatioula Grovogui is assistant professor of political science at Johns Hopkins University He previously practiced law in his native Guinea **1983/87** Centre on Transnational Corporations (United Nations),1988 **Reference Book on Major**
