Reflecting On Research Practice Issues In Health And Social Welfare:

Reflecting on Research Practice Pam Shakespeare, Dorothy Atkinson, Sally French, 1993 Charts some of the hidden from view aspects of social research and explores many of the complex processes involved The chapters range from developing ideas and negotiating with funders to building research relationships and disseminating findings

Observation and Its Application to Social Work Pat Le Riche, Karen Tanner, 1998 Karen Tanner and Pat Le Riche have brought together a range of contributions from practitioners and social work academics in order to discuss the application of ideas about observation to social work education and practice The authors focus on how observation can be used to counteract oppressive and dehumanising practices

Do It Yourself Social Research Yoland Wadsworth, 2016-06-16 With the rapid growth of collaborative indigenous and community based research one of the key challenges researchers face is finding an effective way of involving non researchers in the research process Do It Yourself Social Research has been a best selling methodology guide for action research projects and community groups in Australia for almost three decades Always emphasizing the importance of a spirit of inquiry it demystifies the research process covering where to start how to manage a research project what methods techniques and resources to use and interpretation analysis and reporting This third edition has been thoroughly revised adding the use of narrative and dialogue in research rich research design and what digital technology can and can t contribute to the research process With its hands on no nonsense approach Do It Yourself Social Research is an essential resource for community groups college students and other novice researchers in health social welfare education and related areas

Issues in Deaf Education Susan Gregory, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company

Qualitative Research Practice Clive Seale, 2007 Aimed at the student reader this book demonstrates the benefits of using particular methods from the viewpoint of real life experience It contains chapters written by leading internationally distinguished qualitative researchers who recount and reflect on their own research experiences as well as others

Fieldwork, Participation and Practice Marlene de Laine, 2000-12-19 This timely and topical look at the role of ethics in fieldwork takes into account some of the major issues confronting qualitative researchers The main purposes of this book are twofold to promote an understanding of the harmful possibilities of fieldwork and to provide ways of dealing with ethical problems and dilemmas To these ends examples of actual fieldwork are provided that address ethical problems and dilemmas and posit ways of dealing with them

Feminist Research in Theory and Practice Gayle Letherby, 2003-02-16 an extremely welcome addition to the field of feminist research British Journal of Educational Studies This is a clear and accessible exploration of feminist method methodology and epistemology After situating herself and her work Gayle Letherby charts the debates concerned with the epistemological political and practical issues involved in doing feminist research and places the debates within a wider consideration of the status of knowledge The main focus of the book is then the particular and practical issues for feminist researchers It examines how the process of research affects the results

of that research and explores the relation between politics and practice in terms of research and knowledge production Throughout the book there is a practical emphasis on specific examples of feminist research in action and as well as summarizing current theoretical debates Gayle Letherby adds to them Feminist Research in Theory and Practice is designed and written as a textbook for students at advanced undergraduate and postgraduate level but will be a valuable resource for any researcher or individual interested in women s studies feminism and in researching in the social sciences *Research Methods For Nurses And The Caring Professions* Pamela Abbott,Roger Sapsford,1998-05-16 Praise for the first edition of Research into Practice and Research Methods for Nurses and the Caring Professions These books provide a good introduction for the uninitiated to reading and doing research Abbott and Sapsford provide a clearly written and accessible introduction to social research One of their aims is to de mystify research and in this they succeed admirably After reading the text and the articles in the reader and working through the various research exercises readers should have a clear appreciation of how to evaluate other people s research and how to begin their own David Field Journal of Palliative Medicine This book now substantially revised in its second edition is about the appreciation evaluation and conduct of social research Aimed at nurses social workers community workers and others in the caring professions the book is particularly focused on research which evaluates and contributes to professional practice The authors have provided many short practical exercises in the text and the examples are drawn mostly from projects carried out by one or two people rather than large research teams The clear accessible style will make this the ideal introductory text for those undertaking or studying research for the first time The book may be used in conjunction with Research into Practice Open University Press a reader of useful examples selected by the same authors **An Auto/Biographical Approach to Learning Disability Research** Dorothy Atkinson,2018-12-07 First published in 1997 Dorothy Atkinson collects testimonies of the personal perspectives of people with learning disability in order to rediscover the histories of people with learning disabilities Calling on the importance if auto biographical research as mode to encourage social historical awareness and potential understanding of the commonalities as well the differences between people with learning difficulties *Deinstitutionalising Women* Kelley Johnson,1998-10-13 An ethnographic study of deinstitutionalisation explores the lives of women with intellectual disabilities
