institutions that celebrate a little bit of everything from the state's rich diverse history *Forthcoming Books* Rose Army, 2002-02 **Antiques**, 2002 *O. N. Pruitt's Possum Town* Berkley Hudson, 2021-12-17 Photographer O N Pruitt 1891-1967 was for some forty years the de facto documentarian of Lowndes County Mississippi and its county seat Columbus known to locals as Possum Town. His body of work recalls many FSA photographers but Pruitt was not an outsider with an agenda; he was a community member with intimate knowledge of the town and its residents. He photographed his fellow white citizens and Black ones as well in circumstances ranging from the mundane to the horrific: family picnics, parades, river baptisms, carnivals, fires, funerals, two of Mississippi's last public and legal executions by hanging and a lynching. From formal portraits to candid images of events in the moment, Pruitt's documentary of a specific yet representative southern town offers viewers today an invitation to meditate on the interrelations of photography, community, race, and historical memory. Columbus native Berkley Hudson was photographed by Pruitt, and for more than three decades he has considered and curated Pruitt's expansive archive both as a scholar of media and visual journalism and as a community member. This stunning book presents Pruitt's photography as never before, combining more than 190 images with a biographical introduction and Hudson's short essays and reflective captions on subjects such as religion, ethnic identity, the ordinary graces of everyday life, and the exercise of brutal power.

Reflections and Observations on Mark Twain's "The Gilded Age: A Tale of Today" Fritz Dufour, 2021-02-27 *The Gilded Age: A Tale of Today* is a depiction of those crimes committed in the United States in the late 19th Century which so frequently went unpunished and of the casualties which ought to be called crimes. The description severely winds up with the satirical verdict: No one to blame. The project of Colonel Sellers for raising mules for the Southern markets is a satire upon the fraudulency and soap bubble speculation of capitalists. The work is full of hints and descriptions that take their rise from the frauds and outrages under which the country had plagued for so many years. Family, social, and national questions are all cleverly satirized. The monument erected to the memory of the Father of his country, a monument begun but of course never completed, calls forth some strokes of bitter but not unjust humor. The means by which preferment is obtained in Washington are amply satirized. There are two views of this book: favorable and unfavorable. This essay considers both. For instance, while some critics think that it is incoherent, others suggest that the narrative departs from the traditional methods of concluding and is thereby more natural than most novels because every chapter of the book bears the marks of both writers and is therefore a novelty in its way. In this essay I argue that *The Gilded Age* is essentially a satire and should always be accepted as such. Of course, other good contemporary books did not make it to our time in terms of popularity and legacy. *The Gilded Age* did. We talk, write, and read about it to this day. Evidently, it is an integral part of the annals of American literature and fully contributes to Mark Twain's reputation, legacy, and lasting influence.

Jews in Early Mississippi Leo Turitz, Evelyn Turitz, 1983 Who were the Jews who came to Mississippi in the early years of statehood? Why did they come? What endowment did they leave as they contributed to the enrichment of

Mississippi life Answers to these and many other questions are given in this collection of vintage photographs and commentaries compiled and written by Rabbi and Mrs Turitz Their collection of more than 400 photographs depicting the history of Mississippi Jewry between the 1840s and 1900 is organized geographically beginning in southwest Mississippi Here Jewish influence was perhaps strongest in early times From these communities Jews followed trade routes upriver through Natchez Vicksburg and the Delta and throughout the state These Jews left a heritage of major business concerns including nationally known hotels and department stores Their interest in religion education and the arts enriched towns and communities with schools temples and opera houses In the Turitzes account of Mississippi Jewry there are individual stories about remarkable Jewish families The lasting influence of these men and women remains indelibly in the towns where they lived and worked
