Reflections Of An Octogenarian:

Reflections of an Octogenarian Ethel M. Jones, 1990-01-01 **Reflections of an Octogenarian** Betty Brown Hayes, 2010-05-22 A memoir A book of essays on life by a woman who like many others came to New York to seek her fortune Without a support system she encountered many crises involving her in laws related to mental illness domestic violence and suicide She has tried to address these problems with a light touch Betty Brown Hayes a native of Massachusetts has lived in New York City for 60 years since graduating from college Her essays reflect different spans of her life including the college years her 39 years on Wall Street as a security analyst as wife of a lawyer as a mother raising her two children and putting them through college She has had more than one career and ran a non profit historical society for 14 years wrote for a non profit rating service for charities was Administrator of her college alumnae club for a year and for two years was coordinator of her college class web site Now retired she is delving into her diverse memories Happy reading **Reflections of an Octogenarian** Burtis Dockery, 2019-08-21 Ever wonder what the average man thinks about politics religion work or just about anything Well Burtis Dockery has lived over 80 years and along the way he s formed some pretty interesting opinions Now he d like to share how he feels with you the reader So pull up a chair kick back and be prepared to be amused and in some instances shocked in this revealing look at one man s Reflections of an Octogenarian It s quite a ride Reflections of an Octogenarian Elizabeth Howerton, 1988 *Reminiscent Reflections of a Youthful Octogenarian* George Henry Gerberding, 1928 **Reflections on Biblical Themes by an Octogenarian** Reuben J. Swanson, 2007-01-01 Reflections on Biblical Themes by an Octogenarian represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college university and theological school levels There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life This growth came about through the interchange in the classroom as a student in preparation for ministry then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning Some of the viewpoints may seem to be controversial but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings Reminiscences and Reflections of an Octogenarian Highlander Duncan Campbell, 1910 Evangelism and Pagan England J. Ernest Rattenbury, 2017-09-15 Evangelism is a much wider term than Methodism but it may I think be justly claimed that Methodism is the outstanding historical result of the Evangelical Revival

of the eighteenth century The movement is the mother at least amongst English speaking people of most modern evangelistic appeals Since one must begin somewhere I begin with the Church with which I am most familiar From the Introduction

The Living Church John Stott, 2021-04-30 What exactly is a living church Author John Stott explains We need more radically conservative churches conservative in the sense that they conserve what Scripture plainly requires but radical in relation to that combination of tradition and convention that we call culture Scripture is unchangeable but culture is not The Living Church brings together a number of characteristics of what the author calls authentic or living church The marks being clearly biblical are timeless and need to be preserved We are encouraged to become learning churches caring churches worshipping churches and evangelising churches John Stott unpacks the Bible s wisdom rigorously with a teacher s skill and applies it faithfully with a pastor s heart Becoming a living church is not an impossible goal *Old Age and Other Essays* Norberto Bobbio, 2017-06-06 This book by one of Italy s oldest and wisest intellectuals is a philosophical and personal meditation on ageing The question of old age has preoccupied writers from Cicero to Amery but in this volume Norberto Bobbio produces an account that is specific to our times Born in 1909 Bobbio has lived through the major events of the past century and his experiences of Fascism Communism and the Cold War lend his reflections a melancholy that distinguishes them from earlier eulogies on old age and death Bobbio s conclusions are often sobering yet his investigation into memory and mortality is written with both humour and emotion In the opening chapter Bobbio reassesses the notion of progress from the perspective of an old man Arguing for an understanding of historical change as the transfer between generations Bobbio explains how the elderly are increasingly marginalized in contemporary society Referring to the traditional idea of old age as the age of wisdom Bobbio argues that our ever accelerating technological progress has dramatically shifted the power of knowledge from old to young This discussion of old age as a social problem is accompanied by a reflection on old age as a personal predicament In his elegant and lucid prose Bobbio confronts the facts of decrepitude and death In taking stock of his life he argues once again for the importance of democracy and human rights This is a beautifully written book that will be of great interest to the academic and general reader alike Its intellectual content renders it of particular value to students in the fields of philosophy politics and the social sciences
