Reflections Of God's Work Jerri Broglin, 2017-03-29 The book is a collection of different lessons that people can go through such as going through losses There are many examples of the deep seated dysfunctional habits that we all hold close to our hearts and how we overcome adversity There are lots of joy in the different ways God comes through to us as He pries us away from these terrible habits These enlightening words may be familiar to you as you experience your different lessons in life but still allows you to be able to relate to others These lessons that are taught are through different avenues but we all come out with the same positive outcome We all go through many different lessons but are part of one body of Christ as we are learning similar traits to be closer to God This shows how it's a learning process always progressing into new territory as we each are learning at our own rate and have different tests that we are going through We learn to be close to others as we go through our unique lessons We become more positive in God's ways together God has put us through the lessons that bring out the best in each person This book has expressed what brought a magnitude of lessons to us that brings such success in the great change in our attitudes Otherwise without them we would never been taught about the greatest gifts ever that comes from God It shows the powerful lessons that we as individuals can learn from as we trudge along and go through our ups and downs that God so delicately planted into our lives God is the most magnificent being that created each individual to become mature through His ingenious purpose He has for us He allows us to meet others at just the right time and place that can bring us the greatest lessons in relating with others This

will teach us the most as we are searching dearly for our soul's purpose I believe this a great eye opener for those searching for answers as we are finding the answers that are so deep in our hearts God has the true path through our lives that allow us the strong and wise choices that we need to make That keeps us from falling again once we learn the lessons deep in our heart It shows the great joy that we go through as we learn these great lessons **A Voice for My Soul** Anna Beth Fore,2017-02-10 A Voice for My Soul is a book of inspirational poems and prayers that speaks from the authors soul The poems and prayers are reflections on Gods grace and faithfulness to his children during all the circumstances in a persons life Some of the poems declare the glory of God in creation and in the beauty of Jesus and the comfort of the Holy Spirit God is always present with his people when they face trials and suffering and he draws especially near to them as they journey through death and dying Regardless of the circumstances of life God is always present and close to his children Man desires to have a real relationship with God and with other people and God will fulfill his promises and bless all people who truly seek to know Him and to obey him One of the greatest of these blessings is knowing that there is always hope in this life and in the life to come when a person seeks to love God and submit to his will *Feelings and Faith* Louis W Accola,2021-04-26 Book Feelings feelings feelings We all have feelings How are you handling your feelings How do you understand your feelings Do you embrace suppress or deny them How do you feel about your feelings Good Bad Confused Author Louis Accola invites the reader of Faith and Feelings into a personal reflection and discernment journey The book is an insightful positive affirming empowering exploration and analysis of nine feelings anxiety doubt anger guilt fatigue fear joy peace and wonder The author does this exploration and analysis in the light of the meaning and the significance of each person being uniquely created in the image of God We are created in God's image We each express in our own personhood the presence the nature and the feelings that we see attributed to the God in the Scriptures We encounter those same feelings that are in our birthright package in the actions and teachings in Jesus's life story as the Living Word of God in human flesh Designed by God our feelings are a gift in the makeup package of our natural essence as human beings Feelings are to be recognized affirmed expressed and shared in all our relationships potentially for good in our words and actions along life's journey Feelings and Faith Reflections on God's Gift for Life's Journey is deeply inspiring and informative It provides practical insights and guidance for self affirmation for a positive perspective on feelings and for embracing and expressing our feelings in daily experiences and challenges along life's journey This book's final chapter talks about the faith that counts for free and abundant living and in its challenges and special needs The author clarifies faith as a gift in our birthright package to be recognized and affirmed as the spirit of life's presence empowerment guidance and blessings along life's journey From his years of pastoral and counseling ministry experience the author understands deeply the pressures and changes impacting feelings and faith In this time of rapid and constant changes especially intensified by the COVID 19 pandemic and its resulting current economic crises the author invites the reader to examine the impact of these changes on feelings and faith

Accola evokes new insights for the reader to embrace and affirm for feelings and faith This book invites the reader to purposeful positive and healthy living based on insights from the lifestyle and teachings of Jesus of Nazareth **Reflections on the Character of God** Ajowi Matete,2011-08 God created within each of us something he delights in a precious beautiful reflective jewel that he values and adores an object for his desire In his children he sees the reflection of his own perfect character He loves us despite our perceived inadequacies He wants us to love him back to recognise him and to know him intimately so that we can distinguish his voice his leading his presence and his heart As we look to God we see a reflection of our selves we see our perfection in him Everything that God is we are in his image To know God we need personal revelations of his character Knowing God is the beginning to self discovery Reflections of God's Work Paul McLean,2010-08-23 This work by Paul McLean is a deep weekly devotional that is both introspective and interactive It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues By use of a weekly instead of a daily study this devotional allows an opportunity to go deeper with God by narrowing the reader's focus on particular biblical principles that impact his or her personal sphere McLean vigorously maintains that Bible study deep personal analysis and prayer are critical anchors in weathering any of life's storms while at the same time producing Christian growth and maturity They are also the pillars from which growth life balance and fulfillment are achieved This book is interactive through the use of journaling thoughts impressions and messages received through connecting with God's word Bible during the week Essentially the reader evaluates his or her life by answering in journalistic form pointed and personal life questions McLean believes that prayer and contemplative study play critical roles in the process of hearing from God This devotional can also be used as a study guide for group sharing and personal growth Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders he was changed and shaped by God for a higher purpose Reflections on the works of God in nature and providence, for every day in the year. Tr. by A. Clarke. New ed., revised Christoph Christian Sturm,1810 Reflections of God's Love Keith Furlong,2012-06-22 As a Christian I learned at an early age the importance of God in my life Over the years I have been mocked and scorned because of my faith yet I have never doubted my faith in God and the Lord Jesus Christ I worked for many years as a hill shepherd in the beautiful Lake District in Cumbria and fully appreciated the beauty of God's creation The chapters of this book contain poems that reflect part of my life and I hope and pray they help you in your daily walk with Jesus **Reflections of God's Grace** Michelle Hanna,2016-07-27 Reflections of God's Grace is a collection of devotional messages that have simple yet profound illustrations for Godly living They are reminders for many of us of what we have learned through sermons songs and Scripture Each devotion has a group of scriptures to support the message because God's Word is most important Psalm 119 11 says Thy word have I hid in mine heart that I might not sin

against thee These devotions will challenge you to examine your heart and your walk with the Lord and help you become a brighter Reflection of Gods Grace
