## **Reform And Recovery An Agenda For The New Western Australian Government:**

**Reform and Recovery** Mike Nahan, Tony Rutherford, 1993      *Measuring Immorality* Gail Reekie, 1998-10-13 Why do conservative politicians and scholars in Britain Australia and the United States continue to view rising rates of out of wedlock births and teenage pregnancies as a threat to civilised society This book examines the process by which social science transforms a biological event a birth into a social and moral problem Drawing on Foucault s archaeology of knowledge Reekie stresses the role of statistics and other social scientific discourses in the emergence of the illegitimacy problem in the early nineteenth century and its continuing cultural significance The book illustrates the continuity in concerns about illegitimacy including pressure on the welfare system fears of racial and intellectual denigration the detrimental nature of fatherless families and the association of rising illegitimacy with the supposed selfishness of excessively independent women

**Political Troglodytes and Economic Lunatics** Dominic Kelly, 2019-03-05 Political history at its best This is the story of the hard right in Australia of how Ray Evans and his boss at Western Mining Corporation Hugh Morgan became the pioneers of a new form of right wing politics whose forceful reshaping of public debates transformed Australian politics With a calm gaze forensic detail and a dry wit Dominic Kelly shows how they did it Starting in the mid 1980s Evans set up four small but potent organisations the H R Nicholls Society industrial relations the Samuel Griffith Society constitutional issues the Lavoisier Group climate change and the Bennelong Society Indigenous affairs Their aim was to transform public debate on key issues Morgan and Evans had an energy that bordered on fanaticism They lobbied politicians and wrote op eds They were born intriguers and colourful rhetoricians with a wide influence that famously included treasurer to be Peter Costello It was Bob Hawke who called the H R Nicholls Society political troglodytes and economic lunatics yet in their dogged pursuit of influence the hard right made an impact From successive backdowns on emissions targets to the rejection of the Uluru Statement from the Heart the efforts of hard right conservatives continues to be felt today not only on the right but across mainstream public policy Political Troglodytes and Economic Lunatics is a compelling case study in how some very determined people can change a political culture      **Promises to Keep** David Popenoe, Jean Bethke Elshtain, David Blankenhorn, 1996 This collection of essays by prominent lawyers theologians social scientists policy makers and activists examines the reasons why the once treasured institution of marriage has been steadily displaced by a culture of divorce and unwed parenthood Promises to Keep presents the full text of The Council on Families in America s 1995 investigation Marriage in America A Report to the Nation and the contributors provide suggestions for marital resurrection to counteract trends that have created tragic hardships for children generated poverty within families and burdened us with insupportable social costs Sponsored by The Institute for American Values      **Capital Ideas** , 1993      *Utilities Reform in Twenty-First Century Australia* Malcolm Abbott, Bruce Cohen, 2021-07-01 Utilities Reform in 21st Century Australia Providing the

Essentials traces the development and consequences of the economic reform measures undertaken in the utilities sector in

Australia communications energy water wastewater services and transport in the last years of the 20th century and early decades of the 21st century In doing so it looks at the process of reform across industries and across the state and federal jurisdictions to identify what motivations the various governments had for pursuing reform how change varied across jurisdictions and what issues arose in the process Although by the mid 1990s all states and territories and the Australian Government were committed to reforming utilities as part of the National Competition Policy not all pursued this reform with the same degree of speed and breadth of action The broad trends of economic reform in Australia and abroad are also touched upon to provide an outline of the wider context in which the reform of the utilities occurred This book therefore explores the relationship between politics and society on the one hand and economic reform on the other as well on as the efforts of governments in Australia to promote economic growth and the wealth of Australians in an increasingly complex and challenging global economic climate      **Myth and Reality in the Economic Reform Debate** Michael Dennis Nahan,1994

**Australia's Water Resources** John Pigram,2007-05-25 Australia s Water Resources seeks to explore the circumstances underpinning the profound reorientation of attitudes and relationships to water that has taken place in Australia in recent decades The changing emphasis from development to management of water resources continues to evolve and is reflected in a series of public policy initiatives directed towards rational efficient and sustainable use of the nation s water Australia is now recognised as a pacesetter in water reform Administrative restructuring water pricing water markets and trade integrated water resources management and the emergence of the private sector are features of a more economically sound and environmentally compatible water industry It is important that these changes are documented and their rationale and effectiveness explained This timely work provides an important synthesis of these issues This revised paperback edition is a fully corrected reprint of the hardback edition      **Australian National Bibliography** ,1995      *APAIS 1999: Australian public affairs information service* ,
