Reformers In Search Of Yesterday Buffalo In The 1890s

Noel J Kent

Reformers In Search Of Yesterday Buffalo In The 1890s:

Reformers in Search of Yesterday Brenda K. Shelton, 1976-06-30 Reform movements in Buffalo during the 1890s are described in terms of the way the city's traditional leaders responded to the forces of industrialization urbanization and immigration Thorough documentation provides the reader with details of the diverse ways that prominent Buffalonians tried to solve their contemporary problems *America in 1900* Noel J Kent, 2015-03-04 Many of the key issues concerning the United States as we enter the 21st century were already taking shape as we entered the 20th century Business mergers U S military intervention in the Philippines trade disputes with China and Europe racial violence high levels of crime rising income gaps between rich and poor volatile stock market prices homelessness in the cities the dangers of immigration and the domination of money in elections all these major national issues in 1900 are familiar in some form to Americans today The nation grappled for the first time with a series of complex new challenges distribution of wealth and economic opportunity the form race and ethnic relations should take in a country of increasing diversity the relationship between big business and government how the United States as a new world power should act overseas and a host of others Written in a fluid and highly readable style Kent's ten chapters comprise a colorful narrative history of the major events of this pivotal year that continues to resonate a century later *Ruth Benedict* Margaret M. Caffrey, 2013-11-04 Poet anthropologist feminist Ruth Fulton Benedict was all of these and much more Born into the last years of the Victorian era she came of age during the Progressive years and participated in inaugurating the modern era of American life Ruth Benedict *Stranger in This Land* provides an intellectual and cultural history of the first half of the twentieth century through the life of an important and remarkable woman As a Lyricist poet Ruth Benedict helped define Modernism As an anthropologist she wrote the classic *Patterns of Culture* and at one point was considered the foremost anthropologist in the United States the first woman ever to attain such status She was an intellectual and an artist living in a time when women were not encouraged to be either In this fascinating study Margaret Caffrey attempts to place Benedict in the cultural matrix of her time and successfully shows the way in which Benedict was a product of and reacted to the era in which she lived Caffrey goes far beyond providing simple biographical material in this well written interdisciplinary study Based on exhaustive research including access for the first time to the papers of Margaret Mead Benedict's student and friend Caffrey is able to put Benedict's life clearly in perspective By identifying the family and educational influences that so sharply influenced Benedict's psychological makeup the author also closely analyzes the currents of thought that were strong when Victorianism paralleled the Modernism that figured in Benedict's life work The result is a richly detailed study of a gifted woman This important work will be of interest to students of Modernism poetry and women's studies as well as to anthropologists

Universal Access and Its Asymmetries Harmeet Sawhney, Hamid R. Ekbja, 2022-12-13 A framework for understanding the totality of costs and benefits of universal access that will foster honest appraisal and guide the development of good

policies Universal access the idea that certain technologies and services should be extended to all regardless of geography or ability to pay evokes ideals of democracy and equality that must be reconciled with the realities on the ground The COVID 19 pandemic raised awareness of the need for access to high speed internet service in the United States but this is just the latest in a long history of debates about what should be made available and to whom Rural mail delivery electrification telephone service public schooling and library access each raised the same questions as today s debates about health care and broadband What types of services should be universally available Who benefits from extending these services And who bears the cost Stepping beyond humanitarian arguments to conduct a clear eyed diagnostic analysis this book offers some surprising conclusions While the conventional approach to universal access looks primarily at the costs to the system and the benefits to individuals Harmeet Sawhney and Hamid Ekbial provide a holistic perspective that also accounts for costs to individuals and benefits for systems With a comparative approach across multiple cases Universal Access and Its Asymmetries is an essential exploration of the history costs and benefits of providing universal access to technologies and services With a fresh perspective it overturns common assumptions and offers a foundation for making decisions about how to extend service and how to pay for it

Reform Or Repression Chad Pearson,2016 Examining the professional lives of a variety of businessmen and their advocates with the intent of taking their words seriously Chad Pearson paints a vivid picture of an epic contest between industrial employers and labor and challenges our comfortable notions of Progressive Era reformers

The Roots of Violent Crime in America Barry Latzer,2021-03-17 The Roots of Violent Crime in America is criminologist Barry Latzer s comprehensive analysis of crimes of violence including murder assault and rape in the United States from the 1880s through the 1930s Combining the theoretical perspectives and methodological rigor of criminology with a synthesis of historical scholarship as well as original research and analysis Latzer challenges conventional thinking about violent crime of this era While scholars have traditionally cast American cities in the late nineteenth and early twentieth centuries as dreadful places Latzer suggests that despite overcrowding and poverty U S cities enjoyed low rates of violent crime especially when compared to rural areas The rural South and the thinly populated West both suffered much higher levels of brutal crime than the metropolises of the East and Midwest Latzer deemphasizes racism and bigotry as causes of violence during this period noting that while many social groups confronted significant levels of discrimination and abuse only some engaged in high levels of violent crime Cultural predispositions and subcultures of violence he posits led some groups to participate more frequently in violent activity than others He also argues that the prohibition on alcohol in the 1920s did not drive up rates of violent crime Though the bootlegger wars contributed considerably to the murder rate in some of America s largest municipalities Prohibition also eliminated saloons which served as hubs of vice corruption and lawlessness The Roots of Violent Crime in America stands as a sweeping reevaluation of the causes of crimes of violence in the United States between the Gilded Age and World War II compelling readers to rethink enduring assumptions on this

contentious topic *Down & Out, on the Road* Kenneth L. Kusmer, 2002 A definitive history of homelessness in the United States page 4 of cover *Rebuilding the Inner City* Robert Halpern, 1995 Neighborhood based initiatives ranging from settlement houses in the nineteenth century to the Community Action and Model Cities program of the Great Society to the Empowerment and Enterprise Zones of the 1990s have been called on to help solve a variety of poverty related problems This book examines the history of these initiatives Prolonged Connections Steven Ruggles, 1987 **Henry Hobson Richardson and the Small Public Library in America** Kenneth A. Breisch, 1997 An examination of Richardson's small public libraries that places them in the design cultural political and economic contexts of their times

Ignite the flame of optimism with is motivational masterpiece, **Reformers In Search Of Yesterday Buffalo In The 1890s** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
