Stewart Cutting, 2019-11-06 Preston how you act Why on earth you should make such a fuss I can't see You don't have to work as hard as that And just because you like to lounge around all Sunday morning Yes I do think it's necessary If you want to spoil Aunt Mary's visit entirely and it would Oh all right all right I'll do it of course said her husband resignedly Now the subject's closed You promise me faithfully you will go to church with Aunt Mary while she's here Yes I'll promise She shall do anything with me that she wants said Mr Chandor with emphasis And I hope you're satisfied now He drew his wife's chair a little closer to him and put his arm around her Poor girl she has an awful time with her husband hasn't she Pity she didn't get a better one while she was about it

Refractory Husbands (Classic Reprint) Mary Stewart Cutting, 2015-07-13 Excerpt from *Refractory Husbands* When Aunt Mary comes Preston you will just have to go to church Pretty Mrs Chandor's tone was that of one nerved for combat Anything you say remarked her husband absently with his eye still glued to the magazine he was reading in the waning light as he sat on the piazza in a chair that was slightly tilted to allow for the comfortable placing of his feet on the railing revealing an expanse of cadet blue lisle stocking matching his necktie above the low speckless patent leather shoes Mrs Chandor's eye rested on him with a momentary esthetic pleasure in the midst of her harassment she never had to implore her husband to go and make himself look nice as Lucia Bannard was obliged to Late shadows were lying across the pretty smooth lawn the wistaria lifted languidly in the dying breeze from nearby came the sound of little boys voices laughing and calling in some merry game Everything was at peace but Elinor Chandor's mind Preston put down that book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
