**The Brumby Wars** Anthony Sharwood, 2021-09-01 It's not just a war over horses. It's a battle for the soul of Australia. This is a book about the intense culture war raging around Australia's wild horses known as brumbies. It pits a vision of the legendary Man from Snowy River and the iconic ANZAC Light Horse against the spectre of ecosystems destroyed by feral pests. The debate involves powerful politicians and media commentators and stars an animal mythologised in Australian poetry and prose. But in essence this is about us. The Brumby Wars is about Australians at war with each other over their vision of an ideal Australia. To ecologists and people who ski, walk and fish in the High Country and other areas where the brumbies proliferate, they are a feral menace which must be removed to save delicate alpine landscapes. To the descendants of cattle families and many Australians in urban and regional areas, brumbies are untouchable, a symbol of wildness and freedom. Something has to give. But what? The land or the horses? This war is set to escalate dramatically before we have an answer. Featuring interviews with characters from all sides of the debate, *The Brumby Wars* is the riveting account of a major national issue and the very human passions it inspires. It is also a journey, a quest to understand what makes us tick in our increasingly polarised country. Praise for Anthony Sharwood's *From Snow to Ash* Makes for inspirational reading. *West Australian* A distinctive, charming narrative of a thinking, caring man's trek. *Canberra Times* A joyous read with personality in spades. A book for the adventurer in us all. *Australian Geographic*

**Brumby's Run** Jennifer Scoullar, 2019-07-05 How do you choose between a long-lost sister and the man who's stolen your heart? Set among the hauntingly beautiful ghost gums and wild horses of the high country, *Brumby's Run* is a heartfelt romantic novel about families and secrets, love and envy, and most especially the bonds of sisterhood. Samantha Carmichael's world is turned on its head when she learns that she's adopted and that she has a twin sister, Charlie, who is critically ill. While Charlie recovers in hospital, Sam offers to look after *Brumby's Run*, her sister's home high in the Victorian Alps. Within days, city girl Sam finds herself breaking brumbies and running cattle with the help of handsome neighbour Drew Chandler, her sister's erstwhile boyfriend. A daunting challenge soon becomes a wholehearted change as Sam begins to fall in love with *Brumby's Run* and with Drew. But what will happen when Charlie returns to claim what is rightfully hers? PRAISE FOR *BRUMBY'S RUN* This book celebrates the country and more importantly the bush as a life-changing environment. But we also have a heart-thumping romance. *The Weekly Times* A lovely story of family, self-discovery, love of the land, and the wildlife that live on it. 1 Girl 2 Many Books Another wonderful addition to the Australian rural genre. *Brumby's Run* is a story characterised by family secrets, relationships, growth, and passion, and I thoroughly enjoyed reading it. *The Australian Bookshelf* *Brumby's Run* is the first book of *The Wild Australia Stories*. Buy it now to discover why Jennifer Scoullar is one of Australia's favourite story tellers.

*Core Of My Heart, My Country* Maggie MacKellar, 2016-05-18 When

Georgiana Molloy gave birth on the beach at Augusta in 1830 with boxes of her possessions lying where they'd landed she was one of the many women who literally had to remake their homes out of the broken bones of their past In this passionate book Maggie MacKellar tells the stories of women on the frontier in Canada and Australia who ventured out in bonnets and petticoats to collect seeds who abandoned sidesaddles to ride in the mountains who risked their reputations to climb mountains and beyond this it tells of the risky business of women who put their lives on the page to claim the importance of their experience Core of My Heart My Country weaves together experience and insight from women who lived and wrote in different landscapes in different climates and in different eras It is a provocative and remarkable encounter with buried stories and persistent myths

**Equestrian Cultures** Kristen Guest, Monica Mattfeld, 2019-01-11 As much as dogs cats or any domestic animal horses exemplify the vast range of human animal interactions Horses have long been deployed to help with a variety of human activities from racing and riding to police work farming warfare and therapy and have figured heavily in the history of natural sciences social sciences and the humanities Most accounts of the equine human relationship however fail to address the last few centuries of Western history focusing instead on pre 1700 interactions Equestrian Cultures fills in the gap telling the story of how prominently horses continue to figure in our lives up to the present day Kristen Guest and Monica Mattfeld place the modern period front and center in this collection illuminating the largely untold story of how the horse has responded to the accelerated pace of modernity The book's contributors explore equine cultures across the globe drawing from numerous interdisciplinary sources to show how horses have unexpectedly influenced such distinctively modern fields as photography anthropology and feminist theory Equestrian Cultures boldly steps forward to redefine our view of the most recent developments in our long history of equine partnership and sets the course for future examinations of this still strong bond

**The Bulletin**, 2002 *1000 Famous Horses Fact & Fictional Throughout the Ages* FJH Glover, 2011-04-05 There is no available information at this time [Silver Brumby Kingdom](#) Elyne Mitchell, 1968 [Silver Brumbies of the South](#) Elyne Mitchell, 2012-10-01 Silver Brumbies of the South is the third book in the original series about the Silver Brumby throwra the most beautiful brumby stallion ever to gallop across the great Main Range is disturbed by men bringing machinery and noise to the area of the mountains which he roams Storm also has been uneasy and has taken his mares and sons further south When they meet they decide to take the restless two year olds Lightning and Baringa further to the south where they will have to fight for a place with the herds already there Lightning and Baringa become competitors Lightning always trying to steal Baringa's mares Baringa saves Lightning three times and each time he knows he will have to fight Lightning again next spring But Baringa becomes the acknowledged Silver Brumby of the South

Agnes 10 *Snowy River Man* Lizzy Chandler, 2015-02-01 Their chance at love was lost in the harsh light of day Is the romance of the majestic Snowy Mountains enough to heal the wounds of the past so that they get a second chance at a future The last time Katrina Delaney saw Jack Fairley was the morning after a one night stand when she discovered he was engaged

to be married Seven years later she dreams of a missing boy Jack's son Katrina has worked with police to find missing children before and she knows she must help But seeing Jack again comes with its own set of dangers and Katrina fears the risks she is taking with her heart Jack Fairley's standing in the community can't keep his son from wandering off during a country rodeo Frantic with worry Jack is willing to do anything to find him even put aside his scepticism and accept the help of a woman who sees his son in a dream But when that woman turns out to be Katrina Delaney he's immediately suspicious Neither Katrina nor Jack have any reason to trust each other or the attraction that flares between them again But trust they will have to if they want any chance at love

**Canon Reloaded** Jacqueline Grassmayr, 2013-06-25 Using student friendly language and an engaging thematic approach to bring the canon to life CANON RELOADED invites students to think about what we mean by the literary canon why it is created and how it might be challenged Students will encounter and respond to literary classics alongside contemporary texts and texts in translation as they explore how themes such as journeys love death and the world we live in recur across a variety of historical moments and literary movements
