Understanding Sam Shepard James A. Crank, 2012-10-31 An ideal introduction into the complex and compelling dramas
of the acclaimed playwright Understanding Sam Shepard investigates the notoriously complex and confusing dramatic world
of Sam Shepard one of America's most prolific thoughtful and challenging contemporary playwrights During his nearly fifty
year career as a writer actor director and producer Shepard has consistently focused his work on the ever changing
American cultural landscape James A Crank's comprehensive study of Shepard offers scholars and students of the dramatist
a means of understanding Shepard's frequent experimentation with language setting characters and theme Beginning with
a brief biography of Shepard Crank shows how experiences in Shepard's life eventually resonate in his work by exploring the
major themes unique style and history of Shepard's productions Focusing first on Shepard's early plays which showcase
highly experimental frenetic explorations of fractured worlds Crank discusses how the techniques from these works evolve
and translate into the major works in his family trilogy *Curse of the Starving Class* the Pulitzer Prize winning *Buried Child*
and *True West* Shepard often uses elements from his past his relationship with his father his struggle for control within the
family and the breakdown of the suburban American dream as major starting points in his plays Shepard is a recipient of a
Pulitzer Prize for Drama eleven Obie Awards and a Chicago Tribune Literary Prize for Lifetime Achievement Augmented with
an extensive bibliography Understanding Sam Shepard is an ideal point of entrance into complex and compelling dramas of
this acclaimed playwright Stella Adler on Ibsen, Strindberg, and Chekhov Stella Adler, 2011-04-13 In her long awaited
book the legendary acting teacher Stella Adler gives us her extraordinary insights into the work of Henrik Ibsen The creation

him August Strindberg He understood and predicted the forces that would break in our lives and Anton Chekhov Chekhov
doesn't want a play he wants what happens in life In life people don't usually kill each other They talk Through the plays of
these masters Adler discusses the arts of playwriting and script interpretation There are two aspects of the theater One
belongs to the author and the other to the actor The actor thinks it all belongs to the author The curtain goes up and all he
knows are the lines It is not enough Script interpretation is your profession She looks into aspects of society and class and
into our cultural past as well as the evolution of the modern spirit The actor learns from Ibsen what is modern in the modern
theater There are no villains no heroes Ibsen understands more than anything there is more than one truth Stella Adler
daughter of Jacob Adler who was universally acknowledged to be the greatest actor of the Yiddish theater and herself a
disciple of Stanislavsky examines the role of the actor and brings to life the plays from which all modern theater derives
