Gunaratne,2012-10-24 From Village Boy to Global Citizen Volume 2 The Travels of a Journalist is the last of my autobiographical trilogy The 74 chapters in this volume attempt to describe and dramatize the most memorable places I visited often accompanied by my family since I left the country of my birth in 1966 After my retirement in 2007 I

found the time to compile this travelogue using the notes in my diaries and updating the material through online research with particular help from the constantly revised Wikipedia entries In this process I learned to make each travel essay an evergreen that would not perish soon after its publication as in the case of newspaper travel pieces Travel has shaped my personality Global travel to get to know culturally diverse people was one of my childhood ambitions Moreover travel is an essential aspect of a journalists life Therefore my travels constitute a very important part of my autobiography I included detail in the hope that the reader would keep this volume for long term reference My explorations of U S national parks and my camping expeditions should be of particular interest to family oriented travelers Each of the essays in this volume appeared in the Lankaweb starting December 6 2009 It carried the latest but not the last story chapter 109 on December 4 2011 Reacting to the essay chapter 106 on our mule ride in Mexican territory during the Big Bend adventure a reader commented As always it was very well written and visually engaging which made us feel we were there too We particularly liked the reference to Yankee Doodles that made us smile Thank you for posting it and await the next in the series May 15 2011 Another reader reacted to the essay chapter 92 on our visit to the botanic gardens in Portland Ore Please do continue with your articles Shelton They are getting better all the time as you reveal to your readers more of your own thoughts emotions and reactions February 9 2011 From Village Boy to Global Citizen Volume 1 The Journey of a Journalist is the second of my autobiographical trilogy It traces my life as a journalist and a journalism educator in three countries Village Life in the Forties Memories of a Lankan Expatriate published by iUniverse is the first of the trilogy This is a collection of 28 sketches of folks in the village of my birth Each sketch depicts the drama of life relating to the famous and infamous characters who defined the ethos of Pathegama in the 1940s They range from the amusing and comical to the grave and somber The trilogy is inextricably interconnected interdependent and interactive You are unlikely to grasp what systems theorists call the emergence of the whole if you read only parts of this trilogy *Garden Life* ,1911 **Great Gathering Conkers And The Blossom Top Gang** Lulu Bee,2022-10-31 Who is watching as the Blossom Top Gang celebrate their victory over the Freezlings They begin their long journey home unaware of their watcher and what s to come Their return is eagerly awaited for by the mischievous Mr Jar and the others The journey back will be just as hazardous as it was coming the gang were met with many strange things luckily though each member has a trick up their sleeve and a worthy weapon to go with it and many a baddy has been taken by surprise Mr Blow Pants couldn t believe his eyes and Skipperty Spikes lost his eyebrows when they met the incredibly spiteful and dangerous Fat Babies they are truly to be avoided at all costs There is always an adventure to be had and a mystery to be solved which for over a hundred years Grandma Beany and Mr Applefield have been all too ready and willing to do but now Jack and Callie have come of age and their powers have been granted to them and what powers they are Blossom Top must be kept safe at all costs it is the gateway to everywhere and the Blossom Top Gang are the gatekeepers making sure no criminals get through *The Rough Guide to Thailand* Paul Gray,Lucy
