International Aviation and Terrorism John Harrison,2009-03-03 This book examines terrorism's impact on the international aviation security regime with a focus on the role of the United States Tracing the historical development of the international civil aviation system the volume examines how it has dealt with the evolving security environment caused by international terrorism It begins by exploring the practical implications of the debates over the meaning of terrorism and how the international civil aviation community developed practical solutions to avoid the debilitating debates over the concept while crafting important if weak international conventions As a major civil aviation power the United States was a predominant influence in security developments in the 1960s and 1970s yet US civil aviation policy failed to keep pace with the changing nature of the terrorist threat The commanding position that the United States maintains in international civil aviation provides a microcosm of the promise and perils faced by the world's sole superpower The author examines US efforts to upgrade civil aviation security in the wake of 9 11 and the impacts of these developments on the international civil aviation system The detailed discussion of terrorism past and present places the threat in its proper context for both the international civil aviation community and its largest individual actor the United States This book will be of much interest to students of terrorism aviation security international security and IR in general John Harrison is an Assistant Professor at the S Rajaratnam School of International Studies and Head of Terrorism Research at the International Center for Political Violence and Terrorism Research

The Big Corral Al Cody,2019-01-06

SOONER OR LATER I LL HAVE TO SMASH YOU That was Rawe North s thanks to Tripp Devero who d saved him from a knife in the back Being ranchers they sided each other against the riffraff of the city Yet back on the range it was a fight to the death The country was big but not big enough for both of them So when Rawe returned to find his cattle rustled his men dead or deserted his range burned he vowed to settle accounts with Tripp Devero in gunfire But first he had an empire to win back There was one way for Rawe to get cattle fast to steal them one way for him to keep them to murder for them But he saved one bullet for Tripp Devero staking everything on his gun to make the final payment in revenge *Air Law* ,1982
