Longing For Home Our Citizenship Is In Heaven:

BREAD OF HEAVEN Kieran Beville, 2016-02-29 **BREAD OF HEAVEN** helps the reader to have a greater understanding of the timeless truths of Scripture and a deeper appreciation of the grandeur of God. It offers meditations on selected Scriptures which will draw the reader's attention upwards to the Savior. Kieran Beville's daily devotional combines down to earth, unstuffy humanity in today's world with a biblical and God-centered approach and draws on rich theology in a thoroughly accessible way. He addresses not just the intellect and the will but gets to the heart, our motivational center through the mind. If your Christian life could benefit from a short, well-written daily blast of Christ's comfort and challenge, get this book and use it. These short Bible-based meditations are fresh and contemporary. Beville gives to the twenty-first century reader what earlier authors have given to theirs. Here is practical wisdom that is a helpful guide to stimulate worship and set you thinking as you begin each day with God. For each day of the year, the author has provided the reader with 1 a biblical thought, 2 a daily text, 3 a substantive paragraph, as well as 4 a daily schedule for Bible reading. All of which can be consumed in but a moment yet be considered and meditated on throughout the day. The paragraph for each daily text gives the reader the meaning of the Scripture as well as how it can be applied in our Christian lives. Beville recommends that the reader takes the necessary time to read and meditate on this spiritual food each day. For a Time We Cannot See Crawford Loritts, 2005-07-01 It is nearly impossible to reach mid-life without some reflection upon one's desire to leave a legacy and build for an unseen future. Loritts believes that these yearnings experienced by second-halfers are actually rooted in a longing for eternity in heaven. He writes: "Those of us who are followers of Christ need to be reminded that there is a place that is really ours, a home for which we are created. God has given us the gift of eternal life and a place in heaven, and He has placed the longing for heaven in our hearts. This is our home, our destiny, and our calling." Loritts' wisdom is at once down to earth and biblical. The reader will see a transparent author who is journeying through these issues himself and will be admonished to examine his or her present priorities in view of eternity. **Beyond the Shadowlands (Foreword by Walter Hooper)** Wayne Martindale, 2007-05-01 Those who know Lewis's work will enjoy Martindale's thorough examination of the powerful images of Heaven and Hell found in Lewis's fiction, and all readers can appreciate Martindale's scholarly yet accessible tone. Read this book and you will see afresh the wonder of what lies beyond the Shadowlands. Spiritual Hunger Jim Plueddemann, Carol Plueddemann, 2013-04-10 The Bible says that we were created to be spiritual as well as physical beings. So it's no wonder we have often elusive longings. As you study these passages on hungering and thirsting after God, you'll discover anew how only the Bread of Life can genuinely satisfy our hungry souls. **The Story of Your Life** Matthew West, Angela Thomas, 2011-09-01 When Grammy-nominated recording artist Matthew West started writing his top-selling new album *The Story of Your Life* Sparrow 2010, he asked fans to submit personal experiences. More than 10,000 tales of hope, perseverance, and redemption poured in. With friend and author Angela Thomas, West presents some of these powerful stories.

Gerhard's Sacred Meditations Johann Gerhard, 1896

Silence the Lion Noelle Borgia, 2025-04-15 This book is the testimony of my husband's freedom from twenty years of substance abuse addiction in one day It is unique in that it is not just a testimony nor is it just a guide instructing people struggling with addiction on what they should do to see freedom Instead it is a mesh of our story interwoven with reflections and reflection questions throughout the book It is designed to tell our story and prompt readers to draw their own conclusions through self reflection without simply telling them what to do Halfway through the book addiction is named The Lion with references to Daniel in the den of lions and the reader begins to see addiction as the enemy sent from Satan allowing them to separate themselves from their identity as an addict The remainder of the book continually references addiction as The Lion Each chapter is titled from an excerpt of a biblical scripture immediately following it The goal in writing the book is for those struggling with substance abuse to be able to come to freedom by Discovering where their true identity lies determining who the enemy is surrendering to Christ removing shame and guilt tearing down the hardened walls around their hearts cutting off any bitter roots casting off unforgiveness

Zulehner,2018-04-01 Scepticism disappointment renunciation the situation of the church seems more volatile than ever Paul M Zulehner however is convinced that it is not the church that is in crisis but the changing times demand a reshaping In a run through the history of the Christian Church and Culture he shows that Christianity has often come to crossroads at which renewal and departure were necessary The key to rebirth he sees in powerful visions In the gospel and in art in poetry and myth he finds stimuli which encourage finding new pathways With this book Zulehner gives Christians incentives for a church committed to the future Meditating true to life and practical his vision calls for a resurrection of the church Live Today perhaps we have so much discontent in some parts of the worldwide church because we lack motivating visions Structures are indispensable for the incarnation of a vision in history But they are not a substitute for visions The present church reorganisation concerns more structures than visions We speak more about money than God Of course Churches have to make structural adjustments And only if these are done the Churches start thinking about visions As Saarinen teaches we should look at things the other way round **Cloud of Witnesses: Daily Meditations on Faith, Suffering, and Joy**
