The Zen Manifesto: Freedom From Oneself Osho,2023-03-17 It is time ripe time for a Zen manifesto The Western intelligentsia have become acquainted with Zen have also fallen in love with Zen but they are still trying to approach Zen from the mind They have not yet come to the understanding that Zen has nothing to do with mind Its tremendous job is to get you out of the prison of mind It is not an intellectual philosophy it is not a philosophy at all Nor is it a religion because it has no fictions and no lies no consolations It is a lion s roar And the greatest thing that Zen has brought into the world is freedom from oneself All the religions have been talking about dropping your ego but it is a very weird phenomenon they want you to drop your ego and the ego is just a shadow of God God is the ego of the universe and the ego is your personality Just as God is the very center of existence according to religions your ego is the center of your mind of your personality They have all been talking about dropping the ego but it cannot be dropped unless God is dropped You cannot drop a shadow or a reflection unless the source of its manifestation is destroyed

Paths and Passages to Conquering Chronic Pain D. G. Fraser, 2022-05-24 *Paths and Passages to Conquering Chronic Pain* is a guide for learning to change how you let your pain mentally and emotionally affect you. D. G. Fraser looks back at his eighteen-year journey living with chronic pain, including how it changed his normal life into one of fear, chaos, and turmoil. How his pain brought him from almost taking his own life to embracing the value of the blessings and inner strength that his physical pain has brought him to find within himself. As you read his story, you'll learn how to apply a nine-step healing process on a journey of healing, end the cycles of negativity in your life, heal and grow in ways you may have never expected, guide and help others who are battling physical pain. The author also shares how he underwent three very painful surgeries on his cervical neck and spine. He also had one-third of his right lung removed and underwent a life-saving surgery that involved sawing his face in half to open his airway. Whether you're suffering from chronic pain or illness, or you care for someone who is fighting such a battle, you'll discover ways to grow and heal with *Paths and Passages to Conquering Chronic Pain*.
