Michael Angelo Buonarroti Ronald Sutherland Gower, 2015-06-24 Excerpt from Michael Angelo Buonarroti To write worthily of so supreme a world genius was Michael Angelo is given to few But to one who since his earliest appreciation for what is greatest in art has ever revered that mighty master it may be allowed to add a tribute of homage by this little monograph to Michael Angelo Buonarroti If further preface is needed I perhaps cannot do better than give the following words written to me by the veteran artist G F Watts R A O M on returning the proofs which he had kindly read My only disagreement with you would be in the estimate of his comparative excellence in sculpture and painting He called himself sculptor but we seldom gauge rightly our own strength and weakness The paintings in the Sistine Chapel are to my mind entirely beyond criticism or praise not merely with reference to design and execution but also for colour right noble and perfect in their place About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to
