William Faulkner's Manuscript of Mosquitoes ,1987 *William Faulkner Manuscripts* William Faulkner,1986 **Father Abraham** William Faulkner,1987 *The Wild Palms* William Faulkner,1986 *Mosquitoes* William Faulkner,1997 A delightful surprise Faulkner wrote his second novel for the sake of writing because it was fun *Light in August: Typescript setting copy* William Faulkner,1987 *The Wild Palms: Publisher's front matter and typescript setting copy* William Faulkner,1986 Mosquitoes, a novel, by William Faulkner William Faulkner,1951 Mosquitoes Faulkner William,2023

The hour by hour day by day organization of the novel suggests in form as well as function the nature of the repetitive and mundane days spent on the cruise ship By grounding the repetitive activities of the characters in concrete temporal divisions Faulkner gives structure to what might otherwise seem to be an endless stream of conversation and interaction between various combinations of the yacht's passengers This intentionally mundane structure also forces the boat and the preoccupations of the passengers swimming dancing eating etc to become a stage for the characters primary function as thinly veiled mouthpieces that function as rhetorical devices 19 through which Faulkner is able to work through major issues that he struggled to understand in his own life He does this by inhabiting the characters various personas to address these themes either through their overt discussions or hidden thoughts Regardless of how individual characters explore the themes readers have access to them through Faulkner's omniscient third person narration Though many views on the contemporary culture of the 1920s American south could be drawn from the endless cultural references in Faulkner's writing two major

themes manifest in the text and are explored both individually and in terms of their relation to one another. These are Faulkner's explorations of sex and sexuality and of the societal role of the artist.
