patterns in Europe have been changing drastically over several decades the repercussions of this social revolution are just beginning to garner serious attention Many scholars have presumed that diversity and change in women s employment is based on the structures of welfare states and women s responses to economic incentives and disincentives to join the workforce How Welfare States Care provides in depth analysis of women s employment and childcare patterns taxation social security and maternity leave provisions in order to show this logic does not hold Combining economic sociological and psychological insights Kremer demonstrates that care is embedded in welfare states and that European women are motivated by culturally and morally shaped ideals of care that are embedded in welfare states and less by economic reality

Psychology In Modules David G. Myers,2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations

Psychology In Modules (Spiral) David G. Myers,2009-09-28 Why Myers David Myers has become the world s best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author s style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This modules based version of Myers best selling full length text Psychology breaking down that book s 16 chapters into 59 short modules is yet another example of the author s ability to understand what works in the classroom It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers

Rethinking Feminist Ethics Daryl Koehn,2012-10-12 The question of whether there can be a distinctively female ethics is one of the most important and controversial debates in gender studies philosophy and psychology today Rethinking Feminist Ethics Care Trust and Empathy marks a bold intervention in these debates and bridges the ground between women theorists disenchanted with aspects of traditional ethics and traditional theories that insist upon the need for some ethical principles

Social Security Bulletin ,1959 *Catfight* Leora Tanenbaum,2011-01-04 Catfight Women and Competition is Leora

Tanenbaum's dissection of the gender war waged among women Tanenbaum meticulously analyzes the roots of destructive competitiveness among women asserting that catfights thrive because despite women's many gains American women are conditioned to regard each other as adversaries rather than allies She investigates the arenas from diets to dating from the boardroom to the delivery room in which American women are apt to compare their lives with the lives of others in a tacit contest over who is the better woman a contest in which no one wins Throughout *Catfight* Leora Tanenbaum puts her own life experiences under the lens of scrutiny As a writer a friend a mother a wife and a daughter she analyzes her own insecurities and background and how these influence her relations with other women With the sociologist's perspective of a Barbara Ehrenreich and the feminist outrage of a Gloria Steinem Tanenbaum demythologizes the age old catfight
