David Augsburger

New Freedom Of Forgiveness:

The New Freedom of Forgiveness David Augsburger, 2000-03-13 Seventy times seven how many times shall I forgive Our Lord answers us clearly that our forgiveness of those who hurt us shall have no end This is one of the most difficult things any person has to face David Augsburger understands this He knows the outrageous cost and incomparable value of forgiving He also knows this is a believer s only option Any other course of action will not only be destructive it will violate the will of God In The New Freedom of Forgiveness Dr Augsburger expands upon his classic writing to provide a more comprehensive expanded and stronger message Combining personal testimonies with Scripture Dr Augsburger provides readers with practical guidance on applying forgiveness in our everyday lives With an excellent new study guide readers will be challenged on an even deeper level We are commanded to forgive everything Not just the little stuff the minor irritations and thoughtless behavior of others but everything When we forgive we are set free from bondage The New Freedom of Forgiveness is an essential resource not only for understanding what God requires but also learning how to apply it every day Read this life changing book and discover the freedom of forgiveness

Amy Biehl's Last Home Steven D. Gish, 2018-06-13 In 1993 white American Fulbright scholar Amy Biehl was killed in a racially motivated attack near Cape Town after spending months working to promote democracy and women s rights in South Africa The ironic circumstances of her death generated enormous international publicity and yielded one of South Africa s most heralded stories of postapartheid reconciliation Amy s parents not only established a humanitarian foundation to serve the black township where she was killed but supported amnesty for her killers and hired two of the young men to work for the Amy Biehl Foundation The Biehls were hailed as heroes by Nelson Mandela Desmond Tutu and many others in South Africa and the United States but their path toward healing was neither quick nor easy Granted unrestricted access to the Biehl family s papers Steven Gish brings Amy and the

Israel and Palestine - Out of the Ashes Marc H. Ellis, 2002-10-20. As the world watches with horror the unfolding events in Palestine and Israel, Marc Ellis, a Jewish American scholar, examines what he sees as a crisis point in Jewish identity. In this

book Ellis offers a vision of Judaism that testifies to an ethical life in our era based on the principles of justice and community upon which the Jewish faith was founded Only by addressing the way in which those original principles are being squandered by a militarised state of Israel and a complicit Jewish establishment in America he argues can there be hope for peace in the future Israel and Palestine Out of the Ashes is a deeply personal philosophical account of contemporary Jewish identity Looking beyond the legacy of the Holocaust and beyond the portrayal of Jews as either victims or persecutors Ellis forges a new vision of what it means to be Jewish today
