New Insights into the Theory of Giffen Goods Wim Heijman, Pierre Mouche, 2011-10-12 One might expect that after their identification in the 19th century all aspects of Giffen goods would have been studied by now This appears not to be the case This book contains the latest insights into the theory of Giffen goods In the past surprisingly

few goods could be categorized as Giffen This may be because of a lack of understanding of the character of these goods
Therefore the theories explained in this book may also produce a solid basis for further empirical research in the field
Experts throughout the world have contributed to this book which predominantly pursues a mathematically rigorous
approach It may be used by researchers in the field of fundamental economics and in graduate level courses in advanced
