New Life for the Body R. Eugene Sterner,1991-01-01 *Healing for the Church: New Life for You and Your Church* Harold Burchett,2015-01-14 Certain essentials of a church s life and structure are necessary for the spiritual and moral welfare of its people When those essentials are missing or distorted the lives of the people will be proportionately corrupted and weakened Simply encouraging more fellowship and ministry is not enough What can change a church God can do it through you and perhaps this manual will prepare you to help with the healing Don t give up or drop out until you have read this book carefully Members should urge their pastors to read this book Pastors should urge members to read it

Remissioning Church Josh Hayden,2025-04-15 Rediscover Your Church s Mission Many churches are struggling to connect with their communities and are facing a decline But there s hope God is inviting His church to be reborn from the inside out transforming into a new missional presence that brings life and flourishing to their neighborhoods Using inspiring vision practical tools and field tested methods pastor Joshua Hayden offers church leaders solutions for resurrecting their congregations If you re a church leader longing to bring your declining church back from the brink Remissioning Church is your essential companion that outlines the path of inside out transformation through discipleship while focusing on serving your neighbors and the world God is inviting your church to a new beginning Remissioning Church is the guide you need to answer that call and lead your congregation into a future filled with purpose and mission *The Rattletrap Trip* Rachel Anderson,2003 Sassy bundles her six collected children into an old camper van and sets off to be at one with nature This means while Sassy creates bizarre artworks the children practice DD domestic democracy and I for I independence for infants Although Jewells does her best to learn how to light a fire chop wood and cook with nothing but swedes and potatoes it is not long before things start to fall apart Suggested level secondary **The Mennonite** ,1929 *Letters to Prince Paul* David Kolb,2012-08 *Our Church Life* ,1906 **De-sizing the Church** Karl Vaters,2024-04-02 2024 Outreach Magazine Church Resource of the Year Big churches didn t create the problems facing today s congregations But our obsession with size has come at a great cost We re obsessed with bigness Supersized meals and TV screens Square footage And big churches What s the size of your church That question has stirred insecurities or stroked the ego of too many pastors For a long time we thought bigger was better Church growth and numbers dominated our thoughts and conversations But more than ever people are feeling disconnected Trust in the church is dwindling In De sizing the Church pastor Karl Vaters takes us on a multi faceted journey through our centuries long obsession with size both in and outside the church and how it has negatively affected those who serve and worship in big and small congregations alike He also dispels some prevailing myths and affirms what was good and true about the Church Growth Movement And he invites us to consider how removing church size from the equation can be an essential element in rebuilding trust restoring relationships and renewing our spiritual lives This book reframes the way we see the size of our churches and helps us see health and fruitfulness through de sized lenses

The result Renewed congregations that reach surrounding communities and faithfully engage culture **The Living Church** ,1908 **The Evangelist** ,1899 **The Christian Union** ,1888 **My God, My Land** Jacqueline Ryle,2016-12-05 Examining the multifaceted nature of Christianity in Fiji My God My Land reveals the deeply complex and often paradoxical dynamics and tensions between processes of change and continuity as they unfold in representations and practices of Christianity and tradition in people s everyday lives The book draws on extensive multi sited fieldwork in different denominations to explore how shared values and cultural belonging are employed to strengthen relations As such My God My Land will be of interest to anthropologists of Oceania as well as scholars and students researching into social and cultural change ritual religion Christianity enculturation and contextual theology Still Standing Paul Vollmin,2018-06-12 Growing up in a prairie farm family with a very close knit church community Paul Vollmin is raised to believe that a Christian should be different But somehow even though the Bible tells him that he has changed when he s accepted Jesus as his savior he doesn t feel changed And as Paul enters a rebellious stage he starts to indulge his own personal failures losing touch with his faith and living lie after lie One day as a young husband and father he just can t sustain it any longer and finds himself hospitalized for severe depression and considering suicide as a viable way out Still Standing is Paul s personal story of coming to terms with the past and present in light of a faith in Jesus Christ Be forewarned his journey is no idealized picture of what a Christian should look like but a discovery of how a real life warts and all can be transformed by a real God In frank and frequently very funny fashion Still Standing provides full disclosure in its chronicle of God reaching into the darkest corners of a man s being to bring light and healing to a life of faith gone wrong Herald and Presbyter ,1908

various kinds tend to fall short A certain program might work well for some but that same program seems to be nearly impossible for others In Follow Me Brian Kannel challenges you to move beyond the programs Rather than detailing a specific structure he outlines seven broad values and those values form a constantly moving process of growth in faith Follow Me tells the story of one local church seeking to get serious about discipleship and calls each of us to do the same thing Will you follow Him Brian Kannel is the Lead Pastor of York Alliance Church a growing cell church in south central Pennsylvania He is also the author of numerous study guides including Discipleship According to Jesus and Up in Smoke A Study of Ecclesiastes Brian and his wife Amanda live in York PA with their four children
