New Dimensions In Military History An Anthology:

New Dimensions in Military History Russell F. Weigley, 1998-11 An anthology of papers presented in the course conducted for future leaders of U S military by the U S Army War College in the 1970s Papers address such questions as what is military history Is it only the study of conflict of battles and skirmishes The main purpose of the course in military history was to encourage historical mindedness rather than to impart a specific body of knowledge Emphasized throughout was the fact that lessons to be learned might more likely be negative ones cautionary examples of what not to do The result was a practical search for problems of the past paralleling similar problems of today Generally recognized as the leading military historian in the U S Weigley has published numerous works *British Generals in the War of 1812* Wesley B. Turner, 1999-03-30 The Canadian people have faced crises of leadership but never more seriously than during the War of 1812 Despite the many studies of this turbulent time there are still controversies over traditional issues one being the quality of leadership on both sides **The Military in the Early Modern World** Markus Meumann, Andrea Pühringer, 2020-12-14 When looking at the early modern period c 1500 c 1800 we often speak of the military or the army But what exactly do we mean when using these terms The forms and structures of the armed forces have not only changed between 1500 and 1800 but also varied throughout different regions of the world and even within Europe The contributors to this volume examine twelve early modern examples of armed forces in the Holy Roman Empire Western and Eastern Europe Eastern Asia and North America and paint a multifarious and even disparate picture during this period The findings suggest that modern notions of the armed forces common in the early modern period should be used more prudently to avoid prevalent implications of non existing continuity and uniformity The Embattled Past Edward M. Coffman, 2013-12-09 Internationally recognized for having reinvigorated and redefined his field distinguished military historian Edward M Coffman is a dedicated and much admired teacher and mentor In The Embattled Past several of his most important essays have been assembled into a collection that serves as an essential reference to the discipline and an initiation to the study of military history for aspiring scholars Coffman s introduction to the volume charts his own professional journey and sets the book within the larger context of Americans attitudes toward their military both inside and outside of academia The essays explore a range of critical issues in military historiography such as strategies for conducting oral history and research methodologies and examine questions at the heart of the field Included are two seminal essays on World War I which provide a fascinating overview of American war strategies and illuminate the reasons why so many historians have ignored this critical turning point in twentieth century history The volume concludes with an unpublished essay detailing Coffman s experience of interviewing General Douglas MacArthur in 1960 This exciting new book offers readers insights into more than two hundred years of United States military history while also providing a comprehensive overview of Coffman s stellar contributions to the field Important and engaging The Embattled Past is a primer on the profession from one of the most honored scholars of our time **Army**, 1976 **The**

Yankee Division in the First World War Michael E. Shay, 2008-06-20 Historians have been unkind to the 26th Division of the U S Army during World War I Despite playing a significant role in all the major engagements of the American Expeditionary Force the Yankee Division as it was commonly known and its beloved commanding officer Maj Gen Clarence Edwards were often at odds with Gen John J Pershing Subsequently the Yankee Division became the A E F s whipping boy a reputation that has largely continued to the present day In The Yankee Division in the First World War author Michael E Shay mines a voluminous body of first person accounts to set forth an accurate record of the Yankee Division in France a record that is as he reports better than most Shay sheds new light on the ongoing conflict in leadership and notes that two of the division s regiments received the coveted Croix de Guerre the first ever awarded to an American unit This first rate study should find a welcome place on military history bookshelves both for scholars and students of the Great War and for interested general readers The Harmon Memorial Lectures in Military History, 1959-1987 United States. Guide to the Study and Use of Military History John E. Jessup Jr., Robert W. Coakley, 2021-05-03 A collection of essays that discuss for the military student and others the nature of history the importance of military history and the applied study of military history The volume includes bibliographical essays on military history descriptive accounts of the historical organization of the U S Army and other parts of the Defense establishment and discussions of the study of military history in foreign armies and in the academic world OVER the years the study of military history has had its ups and downs within the Army In the education of the World War II generation of military leaders it played an important part for the study of past

operations held a preeminent place in the Army schools curricula in the period between the two great world wars In the years immediately following World War II it lost that place This happened partly because the information explosion broadened so greatly the areas in which an officer had to be knowledgeable and partly because of a belief that the pace of change in technology had rendered the study of past experience irrelevant In the Army s higher schools military history became largely a matter of using examples from the past in courses dealing with current problems

New Dimensions In Military History An Anthology Introduction

In today's digital age, the availability of New Dimensions In Military History An Anthology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Dimensions In Military History An Anthology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Dimensions In Military History An Anthology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Dimensions In Military History An Anthology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Dimensions In Military History An Anthology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Dimensions In Military History An Anthology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Dimensions In Military History An Anthology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Dimensions In Military History An Anthology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Dimensions In Military History An Anthology books and manuals for download and embark on your journey of knowledge?
