Dictionary Catalog of Official Publications of the State of New York ,1988 Includes information from the Checklist of official publications of the State of New York New Directions in Budget Theory Irene Rubin,1988-01-01 This collection is the first book length work in many years to provide new theoretical direction to budget theory Written by several of the most respected people in budgeting including Allen Schick Naomi Caiden and Lance LeLoup it explores such current topics as the scope of budgeting the degree and source of variation in budgeting and changes in budgeting process over time New Directions will help to build a framework that is less confining than incrementalism and will stimulate and guide future research Some of the essays deal with the implications of looking at budgeting from a multi year perspective and the importance of allocating sources other than money such as personnel ceilings others pose questions about what a budget theory should look like and how many budget theories are needed *Books in Series, 1876-1949* R.R. Bowker Company,1982 **Index of Economic Articles in Journals and Collective Volumes** ,1988 *Resources in Education* ,1998 *Subject Guide to Books in Print* ,2001 **The Mediating Effect of Public Opinion on Public Policy** Richard E. Chard,2004-07-15 Examines how public opinion has influenced health care policy **Recording for the Blind & Dyslexic, ... Catalog of Books** ,1996 New Directions in Judicial Politics Kevin T. McGuire,2012-03-15 With its often vague legal concepts and institutions that operate according to unfamiliar procedures judicial decision making is in many respects a highly enigmatic process New Directions in Judicial Politics seeks to demystify the courts offering readers the insights of empirical research to address questions that are of genuine interest to students In addition to presenting a set of conclusions about the way in which courts operate this book also models the craft of political research illustrating how one can account for a variety of factors that might affect the courts and how they operate The renowned scholars and teachers in this volume invite critical thinking not only about the substance of law and courts in America but also about the ways in which we study judicial politics **American Book Publishing Record** ,1987
