Braaten, 1968 **Systematic Theology, Volume 2, Second Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **Systematic Theology, Volume 2, Second Edition** James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine

Gospel-Centered Hermeneutics Graeme Goldsworthy, 2014-06-18 In this new paperback version Graeme Goldsworthy examines the foundations and presuppositions of evangelical belief as it applies to the interpretation of the Bible He then proposes an evangelical hermeneutic rightly centered in the gospel

Resurrection Hank Hanegraaff, 2002-02-06 Citing Bible scripture a scholar passionately defends Christianity's most important doctrine in this award winning book In this definitive work popular Christian apologist Hank Hanegraaff offers a detailed defense of the Resurrection the singularly most important event in history and the foundation upon which Christianity is built Using the acronym F E A T the author examines the four distinctive factual evidences of Christ's resurrection Fatal torment Empty tomb Appearances and Transformation making the case for each in a memorable way that believers can readily use in their own defense of the faith

The Case for Christ Lee Strobel, 2010-11 The book consists primarily of interviews between Strobel a former legal editor at the Chicago Tribune and biblical scholars such as Bruce Metzger Each interview is based on a simple question concerning historical evidence for example Can the Biographies of Jesus Be Trusted scientific evidence Does Archaeology Confirm or Contradict Jesus Biographies and psychiatric evidence Was Jesus Crazy When He Claimed to Be the Son of God Together these interviews compose a case brief defending Jesus divinity and urging readers to reach a verdict of their own

The Case for Easter Lee Strobel, 2009-12-15 Did Jesus of Nazareth really rise from the dead Of the many world religions only one claims that its founder returned from the grave The resurrection of Jesus Christ is the very cornerstone of Christianity But a dead man coming back to life In our sophisticated age when myth has given way to science who can take such a claim seriously Some argue that Jesus never died on the cross Conflicting accounts make the empty tomb seem suspect How credible is the evidence for and against the resurrection Focusing his award winning skills as a legal journalist on history's most compelling enigma Lee Strobel retraces the startling findings that led him from atheism to belief He examines The Medical Evidence Was Jesus's death a sham and his resurrection a hoax The Evidence of the Missing Body Was Jesus's body really absent from his tomb The Evidence of Appearances Was Jesus seen alive after his death on the cross Written in a hard hitting journalistic style The Case for Easter probes the core issues of the resurrection Jesus Christ risen from the dead superstitious myth or life changing reality The evidence is in The verdict is up to you
